Vice Commodore's Report

Keith Postma

Happy New Year!

I'd like to welcome all returning and new members to our club. I am excited about the coming 2015 year and am honored to be taking on the role as commodore this year. We have a rich history and would like to thank our all our past commodores and board members for their contributions in the past and look forward to working with this year's board and our membership in 2015.

We are making 2015 a year of change. While we will be guided by our past, we also need to look to the future. The objectives of our club will continue to be safe boating, having fun and putting something back into our community.

For those that were unable to attend our Change of Watch, we will be focusing on 2 changes based on membership input:

First, more away events. Our club has a history of being a travel club, where away events was the key element of SPBC. I look toward working with the board and others to put together 5 specific SPBC away events in 2015.

Second, getting more value out of our clubhouse. As a trial, during the summer months, the plan is to open the clubhouse to the SPBC membership, not for personal private usage, but as a place to meet and hang with others. More to come in 2015 as we work out how to make this happen.

I am looking forward to the challenges that 2015 brings. Areas like increasing our membership, getting more involvement in our club and related events, leveraging the benefits of our Holiday Harbour agreement to name a few. As well, part of the regeneration will be to change up some of our events mixing our favorites with new events, with the hope of having some SPBC local events at marinas that are home to our club members.

Another key focus will be communications. In addition to the web page, we are looking at starting up an SPBC Facebook site as a way to enhance communications within our club, as well as with other AYC & ILY-A members. Additionally, we are working on forming a phone committee as another way of getting the word out for upcoming events.

I very much look forward to your support, the membership, in the upcoming year. Thank-you.

This is going to be a great year for SPBC members. Many events are in the planning stages. We plan to travel the Detroit River, Lake Erie and Lake St Clair.

Our First event of the year is a Steak & Chicken Roast on Saturday January 24, 2015 at the Clubhouse. If you are interested in attending please call or email me your meat selection 519-981-8586, postma.improvements@sympatico.ca.

I will be also hosting a Member Appreciation Day, Sunday March 22, 2015. Details coming soon.

Now that we have the winter blues, I'm sure we all can't wait for our first trip on the water.

Happy New Year!

See you at the Clubhouse.

Past Commodore's Report

Reg Major

Hello all,

Happy New Year!

As Laurie & I enjoy some quiet times away from the SPBC leadership, we still worry about the future of our Club. We had a very productive events planning meeting where we, as concerned Executive members, tried to hammer out an agenda that will excite and hopefully, engage you. It's not an easy task to find everything that interests and is appealing to so many people when you have to consider the travel, costs, level of interest and commitment from the members. For example, if someone plans a rendezvous at a location 3 hours away and 4 boats register, is it feasible to include it in our plans?

I am sure that this new Board is open to your suggestions so please be involved. It's your club.

Communications Report

Izzie Dulmage

This is my first report as Communications Officer. I have big shoes to fill and will try to do my best. As you know, we are no longer having the Log printed but doing everything electronically. It has been a very large undertaking and Rick has done a wonderful job of setting it up.

We already have had our first event of the year. Kick Back Friday on the 9th was very well attended. Joanne Ediger was the big winner in Bingo.

We should all be looking forward to a fun-filled year, making new friends and attending our club events. Your Board is working hard planning and needs your participation to make it a successful year.

Some of us lucky ones will be going south in February and some luckier ones are already there. To those of you staying home, I hope the weather is better than last year.

Kick Back Fridays

Please join us for another good time at Kick Back Friday for the month of February.

The fun begins at 7:00 pm on Friday, February 13th
