Commodore's Report

Welcome all, hoping everyone is faring well this winter. It has been a very busy, yet, enjoyable year so far, with lots more to come.

For the most part, our Kick-Back Fridays have been a success. Our next Kickback is bowling on March 13th at Rose Bowl lanes. We do have a limited number of lanes reserved so please register early (see the flyer for details). I would also like to thank those of you who have made our kick-back Fridays a success. Your attendance and help at the events is truly appreciated.

As well, I would like to make special mention of the April 17th SPBC Membership meeting. This is where we conduct club business. As many already know, we are working on changes and this is where these changes get reviewed and voted on. It is important we hear your voice as we move forward in 2015.

In addition, I attended the AYC weekend event Feb 20th-22nd. It was a wonderful weekend in Perrysburg Ohio, all decked out as Put-In Bay. Special thanks to Matt Morrison and the SPBC crew, as well as the All Ports club for hosting the Saturday morning breakfast.

Lastly, our web site is under construction. Although generally complete, this year you can expect changes to the web site throughout the year. Since I am playing web site administrator this year, please provide me with feedback if you see any issues.

Thanks all, and hope to see you out at some events this year. Your board is working hard to increase the number and variety of events. I would like to hear from you with suggestions on our events and/or operations of the club.

Vice Commodore's Report

I would like to thank all who attended February's Steak and Chicken Roast. I am sure everyone had a great time. A special thanks to my daughter Sam and wife Denise for helping with the cooking and the baking. It is very important our membership supports our events. This is a way to bring in extra revenue to help us provide more events and activities.

I hope that all our members can volunteer and earn work hours at this year's Regatta. I am looking for a member to help as Dock Master and others to assist him for the Regatta Weekend August 28th and 29th. Please contact me if you are available.

An AYC Bowling Event is taking place Friday March 27th in Monroe Michigan. I would like to set up a team of players to fill a lane. Please contact me if you are interested in bowling. See flyer in the newsletter.

A Membership Appreciation Lunch is scheduled for Sunday March 22nd. Free hot dogs and hamburgers will be served. You can bring a salad or desert to earn work hours. See flyer in the newsletter for details. See you at the Clubhouse.

Communications Report

For those of you having to bear the brunt of freezing weather, I'm sure boating season seems like a long way off. We were lucky to escape the cold and, also, to start our boating a little earlier. March seems like it's going to be a busy month with your Board planning some special events. As part of our Membership drive we will have a booth at the Windsor Boat & RV Show from March 27-29 at the former Rona store. It would be nice to see as many members as possible supporting these events. It is your club and your Board is trying very hard to make 2015 a successful year. If you have any suggestions or comments please contact me at spbcommunications@bell.net or 519-996-2794.
