# Commodore's Report

The post of Commodore holds many requirements and commitments at which I must represent the club and so I will not bore you by listing them, just know that we are making them all. What impresses me the most is that we are now showing up at AYC events with many more members than in previous years. To some, the spark is back. You just don't realize the scope of it all by only attending the few things that go on in our club. The cruise put on by the class of 2017 was a fabulous experience and will be one memory that I will cherish for the rest of my life. Anyone interested in next year's cruise can contact me and I will provide them with the particulars. I will say, that response to the Bowling outing put on by OUR club had enough members to fill two lanes for a total of nine people. Pathetic.

As we progress through April there will be a pulled pork dinner, a paint night and a peameal fundraiser. Please, show us your support and plan to attend. There will also be a General Membership meeting on April 20th, come on out and see what's happening in your club.

Bon jour Boaters,

Another month has gone by but that gets us one more month closer to spring weather. This month Lady Pat and I attended the AYC Bowling in Monroe and the Commodore/Vice Commodore dinner at Ford Yacht Club both were a blast. I also attended the AYC meeting in Ohio. We are looking forward to SPBC's Bowling night on Thursday Night. There are two events coming up soon don't miss the Paint night at SPBC's clubhouse on the 17 of April and the Pulled Pork night at the club house on the 14th of April, check web site for registration info. Good luck on the boat preps and see you on the water.

# *Fleet Captain's* **Report**

Spring is here. I guess that brings a smile to our faces because in a month or so the sweet scent of gas and diesel marine engine fumes will be filling the air.

Preparations are being made for this year's Blessing of the Fleet. You should have all received an email with the invitation and registration. You can print and fill out the registration form, call me with your registration information or complete the Google form in the email. Please register as soon as possible as this will allow us to get ready for the day. This event is open to everyone; so feel free to invite your family and boating friends. All are welcome to attend the social at the clubhouse, whether you take part in the blessing or not.

Save the date! May 5th will be our "Cinco de Mayo Derby", a Mexican fiesta and Kentucky Derby all rolled into one. Keep your eyes open for the flyer in the coming days.

We are working on a new line of SPBC club wear. Selections and order forms will be posted as soon as pricing is finalized.

# *Immediate Past Commodore's* **Report**

What a wonderful time Rick and I had on the AYC cruise. It was great to share these memories with our 2017 class and many more. We have already booked next year's cruise and will be joined by our Vice Commodore and Fleet Captain and their ladies. Let's see if we can get a few more SPBC members out.

We had 2 full teams for the AYC Bowling event on March 23rd, however, attendance at our SPBC event on the 29th was very poorly attended. Commodore Rick and I also went to Ford Yacht Club's Ball on Mar. 3 and Monroe's Ball on the 24th.

April brings us the Pulled Pork event on the 14th, hosted by V/C Neil Bastien, Paint Night on the 17th, hosted by Lady Pat Bastien and Joanne Ediger, General Membership meeting on the 20th and our first Ball Fundraiser for Commodore Rick, Pealmeal Bacon/Salmon BBQ on the 27th.

Please come out and support your club. The Board is endeavouring to bring a variety of events to pique your interest.
