# Commodore's Report

Let me start my report by saying that I hope that all of our members are safe and healthy. These are trying times and we will get through them.

We had our first Steak & Chicken dinner on March 6 then Lady Linda and I attended Ford Yacht Club's Ball on March 8.

On March 14 we had a St. Paddy's Day Dinner of corned beef, cabbage, and boiled potatoes. We cancelled the card party due to the virus and will keep you posted on any further cancellations.

Summer is coming, brighter days are ahead, stay healthy.

This is your boat club. If you want it to carry on in future years get involved.

Only 40 days to left until the boat goes back in the water.

## *Vice Commodore's* **Report**

Well April is finally here and hopefully the weather will break soon. With the Covid 19 outbreak and the subsequent travel restrictions it may be an interesting boating season. As I am sure you are all aware the Club is taking the recommended safeguards to protect all of us and therefore future events have been postponed at this time. To keep our club successful and progressing into the future we need all our members to participate in our events, when our events resume. Along with your SPBC membership you get access to the AYC and ILYA clubs and ports. Please remember our Club does not operate on thanks alone, there is a dedicated teams of members continually working in the background, planning events and doing all the leg work to make us proud to be SPBC Members. If you are new or newer to the club or a lifer, please consider stepping forward to assist with events as they are announced. More hands obviously make less work and more fun for all of us!!

We also have a few positions open on the Board of Directors that we would like to have filled. The positions are Assistant Fleet Captain and Rear Commodore, if you are interested in joining the Board please email Bill Deans with your information. This is a great way to meet new boaters and have an active role in the success of Sun Parlour Boat Club.

Welcome to Spring! Planning of the Shakedown Cruise and the Blessing of the Fleet continues. See the flyers for details. The Shakedown Cruise will take place May 15, 16, 17, 2020 at Swan Boat Club and the Blessing of the Fleet will take place on Sunday May 24, 2020 starting at Holiday Harbour and going on to Fighting Island where the event will take place, ending with a great luncheon at the Club. Let's generate early on excitement within the Club by attending these events and bring your friends! Keep up the good work! Due to the recent Coronavirus scare the March AYC meeting was cancelled. Please note that there will be a change to the AYC Golf Date originally scheduled for May 2020. The new date is not yet known but will be forwarded to the members when determined.

## Report

So, we are in a crazy time right now.... Hopefully, we will all get through it!

The 2019 Commodores trip was to Punta Cana... we got home on Saturday, March 21st and of course, we are in self isolation right now.

It was beautiful, and we had a great time, but the island was closing down while we were there. No other bookings were allowed, and we were lucky enough to have a flight home. Glad to be back, even if we have to stay in our house for the next two weeks!

Membership dues are still coming in, slowly. As of right now, we have 13 Lifetime non-voting members, 54 renewals, 5 cancellations and 22 still not paid.

For the ones who have paid, your new membership cards are ready. When the events start back up again, the cards will be at the clubhouse.

For the ones not paid, if you wish to remain a member, please let me know. I am in the process of reprinting the 2020 Roster and want to make sure I have all the members information correct!

My contact information is Pat Bastien, 226-757-1747 [membersofspbc@gmail.com](mailto:membersofspbc@gmail.com).

Thank you!

## Report

Spring has sprung and we are revving up for the Shakedown Cruise and the Blessing of the Fleet and hope you are too!! Your help will be needed at these events either by volunteering for setup, cleanup or by donating salads/desserts. Every little bit helps to make a successful club. It is our hope this Coronavirus scare will have died down by then and we will be able to enjoy our outings. Many thanks to all for your continued support!

## Report

As Communications Officer, it is my duty to keep you all informed of what's happening in the club. At the time of writing this, the Covid19 virus has preempted all activities in the club, as well as everywhere else. We are all looking forward to the upcoming boating season and hope the danger period expires quickly. When this mess clears up and we are given the ok to resume our activities, I will be emailing our members the all-clear along with notices for the upcoming events. Until that time, I pray that you, your family, your friends and fellow members remain safe and healthy and also pray that, for the sake of the club, we start getting the people who don't turn out to our events to change their minds and to support this club a little better. Believe me, if you don't, we are going down.

Remember ... smile, it is contagious too!
