Unfortunately, due to the present Covid limitations as to room occupancy, both of these events will have to be pushed back to the following month. This is a postponement and not a cancellation. Your patience is appreciated, and stay safe in the meantime.

Commodore's Report

Ahoy Fellow Boaters,

With April upon us and only 30 days until launch let's hope this weather continues. Spring has officially arrived and the covers are slowly coming off of the boats. Due to Covid restrictions we had to cancel our first event "St. Patrick's Day" celebration. Looking forward into April we are planning a General Membership Meeting on April 9th (more info to follow) as well as a Burger/Karaoke night on April 17th. The event on April 17th will be hosted by Rick and Izzie and a special guest will be attending to facilitate Karaoke. Obviously this will be contingent on the Covid Restrictions enforced at that time. Sheila and I are both looking forward to seeing everyone there. We have a full Calendar of Events scheduled throughout the year. The boating season is short enough trying to scramble to get together with our fellow club members. Looking forward to a better 2021 and to seeing everyone around the Club.

We will be adhering to all required Covid safety protocols in order to keep everyone safe.

Vice Commodore's **Report**

With the recent arrival of spring, thoughts of being outdoors, and plans for boat preparations are on our minds. Sadly, we couldn't proceed with our first event of the year, celebrating St. Paddy's Day due to restrictions from COVID, but with more vaccine availability, the future looks bright. We have another fun activity happening in just a couple weeks with a burger and karaoke event. All we can do is hope for fewer restrictions and great weather. The month of May will also bring some fun events, as well as Blessing of the Fleet at the end of the month. We are thinking that regardless of our COVID status, this event will hopefully proceed as we can easily keep socially distant on our boats. I look forward, as I'm sure we all look forward to safely being able to get together again. Stay safe and get those boats ready for launch.

Rear Commodore's Report

We had to cancel the St. Patty's Corned Beef & Cabbage event due to Covid. However, things are looking up as I know of a couple friends and family members who have now received their Covid vaccine. Hopefully things will open up soon.

Gerry & I are finishing up some winter chores around the house and are now planning on a few maintenance chores for the boat. Ranta, where we keep our boat has opened. I went by to check on the Clubhouse and there were a few boaters out and about at Holiday Harbour as well.

Our next Clubhouse event is Burgers & Karaoke on April 17th. Hopefully we will be able to go forward with that event. It promises to be a lot of fun. Please come out and join the fun.

Fleet Captain's **Report**

Here we are in Spring, it is the time we are looking forward to boating season. If our virus numbers continue to decline maybe in April we can have an in person General Membership meeting on the 9th. Commodore Dan has been leading your bridge and executive in zoom meetings to handle club business. Also, we have a Burger BBQ planned for the 17th. As with past events and meetings, we will adhere to and follow the safe guidelines. In May we will hopefully begin on the water boating events, plus some clubhouse dates. These would be the Cinco De Mayo party, Shakedown cruise, on our Victoria Holiday, and the Blessing of the Fleet, Sunday, May 30. Keep an eye on the SPBC facebook page for updates.

AYC Report

We are unsure when I will be able to attend an AYC meeting in person. I have been in contact with AYC and am receiving notes from the meetings. One big fundraiser for AYC Vice Commodore is the Bowling Tournament on April 25. Just announced the border will remain closed till end of April, so no participation in this event for us.

a long time advertiser in our Ship's Log, Brad will be sorely missed by all who knew him. Brad's workmanship and attention to detail won him the recognition as an industry leader in this area as well as being a great kibbitzer and all around nice man.

Sunset Canvas will continue on in a somewhat diminished capacity, doing repairs, windows, screens and tonneau covers. Please give them your support in this area.

Report

Here it is April and the warm weather will hopefully continue. Time to start working on the boat once power is turned on at the marina. Our first function St. Paddy's Day Dinner was cancelled due to the government regulations so hopefully we can have Cinco Di Mayo. Check the events page for other events.

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .
