## Report

It appears that most of the ice is disappearing, and with that, the return of spring. As mentioned in the following report by our Vice Commodore Pat Brough, we have had some scheduling challenges but I feel that we are coping as best as we can under the circumstances.

March had us busy representing the club at various Balls, meetings and gatherings within the AYC. This month promises much of the same along with planning the many exciting events for our club this year. We are in the final stages of nailing down details of the 2022 Shake Down Cruise, as well as 3 away events planned for this year as stated in the "save the date" memo sent to our members. Stay tuned and stay informed as more information is coming your way. Be sure to refer to the events calendar at the end of the log report to stay informed of all the exciting things that are coming soon. I wish you all success in preparing your vessels this spring and hope maintenance costs stay low to off set increased fuel costs.

I look forward to seeing everyone at the events in the coming months, and encourage everyone to reach out if there are any concerns or ideas you might have. It takes us all to make a successful year.

# Vice Commodore's Report

*"True life is lived when tiny changes occur"*

This was the theme for March & most of April.

During our Event Planning Meeting we were unaware that we would be so affected by the work going on at Holiday Harbour. This is important work which will improve the facilities at both the Marina and Sun Parlour Boat Club. However, it meant that access to our club might be sometimes dangerous and our power would be intermittent.

In March, we were able to hold our first Burger Night of the year and had a great turnout and lots of fun. We were also able to switch our Game Night to Bowling at Superbowl Lanes, where a great time was had by all.

There are changes for April and some in May as well. We have changed our General Membership Meeting to April 29th, have had to cancel the Easter Egg Hunt, but are able to continue with Paint Night by moving it offsite. The Events Calendar at the back of this Log has been updated with all the changes.

We will be hosting an Open House on Saturday May 14th and inviting all boaters at Holiday Harbour (and elsewhere) into our Clubhouse to see what Sun Parlour Boat Club is about. As members, you are our greatest advertisement, so please be sure to attend and brag about what a great club we have and why you joined and remain members.

As I write this, Commodore Gerry is antifouling the bottom of our boat, so that means we will soon be in the water enjoying summer breezes. We still have plenty of events planned throughout the summer, so stay tuned.

Don't forget to ask us about Commodore's Raffle Tickets to win the above prize!

Julie Holmes

## *Rear Commodore's* **Report**

I hope this finds all of you in good health and spirits. Although we couldn't have our celebration at the club, I hope all had a great St. Paddy's Day. Everyone has a little Irish in them on that day.

It is great the government has changed guidelines to allow full opening so we can now all enjoy the upcoming events both in and outside the Club. Unfortunately, due to the construction at the marina we haven't been able to take full advantage. Hopefully that work will be completed soon and we will be able to enjoy our clubhouse and the marina. The upgrades will be well worth the inconvenience.

Make sure to check out the calendar and plan upcoming events. The burger night had a great turn out and a lot of fun. Due to the fact we are unable to use the clubhouse for some of the near events, other arrangements have been made so please take note.

Looking forward to seeing everyone soon!

# *Fleet Captain's* **Report**

As each day passes, the excitement builds to launch. Everyone is making plans and hopefully the weather cooperates and the marinas are available.

Plans for events are really coming together. I want to thank Pat Brough and Gerry Veerman for attending the AYC meeting. I am truly looking forward to attending myself soon. Hopefully we will get more updates and understanding as far as border restrictions. Please check out the calendar of events and sign up if you intend to participate. Guaranteed good times, fellowship and friendship.

Stay healthy and safe until we see you out on the water!

## Report

As spring weather is approaching, we are all anxiously prepping our boats for launch and we can't help looking forward to the 2022 boating season. Let's pray that all of the travel restrictions are lifted and we are once again able to travel to the USA on our boats. Commodore Gerry and Lady Pat along with the Club Executive Committee have assembled an ambitious calendar of Club events to keep all our Membership engaged through 2022. Please remember this is your Club and its success is on all of our Members participation.

The I-LYA Spring Meeting is April 1 & 2, 2022 at the Doubletree Hotel in Westlake, Ohio. Information will be provided regarding the 4 Regattas being planned for this Summer in Mays Log.

I-LYA POWERBOAT REGATTA: The Power Boat committee is looking forward to this year's regatta. A reminder to all planning on attending the power regatta at Put In Bay in 2022, the dates for this year will be July 27th – 31st.

## Report

PC Neil and I did a month-long car trip of the United States. We left from Detroit, headed west to California, south to Texas, east to Louisiana, Florida, North Carolina, and all the states in between! We put 7,000 miles (11,250 kms) on the vehicle! We visited people we hadn't seen in a long time and met all kinds of new people and had a great time! But one thing we discovered is that Edgewater Amherstburg is the best place to live in North America! We are happy to be home.

Since we were gone for so long, I missed some of the happenings at the club, but we made it to the bowling night. I didn't do very well but it was nice to see the turn out and some new members joining in the fun.

The club gained a new membership in March and we always welcome anyone who wants to join! Membership cards and rosters should be available at the next big event.
