Commodore's Report

Happy April SPBC...

Last month has been an exciting time. I am extremely happy to announce that Greg Rocheleau has stepped forward to fill the position of Assistant Fleet Captain. It has been a while since we have had a full Board of Directors and I couldn't be any prouder of those that have taken on these important roles. Thanks Greg and Welcome Aboard. Hope our Fleet Captain doesn't work you too hard!!!

Well, April is here and for some of us, it seems like the world has gone crazy. Over the last few months, I have heard many people say that they feel stressed about the changes across the border and all the uncertainty that goes along with it. I have attended several events since January with our sister Clubs in Michigan and Ohio, and I can tell you, they too feel the same stress, anxiety, uncertainty that we feel as well. As we manage through these troubling times, we need to stay focused on the light at the end of the tunnel. Our happy place will be launched in the water, we will feel the warm weather and enjoy the fun times ahead. As we begin the task opening up the boats and getting everything ship shape, lets take the time to plan the work and work the plan, so that we all stay safe.

April has a fairly busy schedule with the following activities and events planned:

I-LYA Spring Meeting	Apr 4 to 6
SPBC General Membership Meeting	Apr 10
Good Friday Fish Fry	Apr 18
SPBC Games / Peameal Burger Night	Apr 25
AYC Bowling	Apr 27

Please mark these events on your calendar and plan on attending if able. As you can see, we have our General Membership Meeting scheduled for April 10 2025. This meeting is an opportunity to get together and review the state of the Club, hear from our Membership, review any items that require Membership approval and see what our long-range plans are.

On a final note.....We will be starting repairs on the Clubhouse. If anyone has some time after you work all day, please let me know . Material is on the deck to replace the stairs and material will soon be on hand to start replacing the skirting. Please keep an eye out for an email with dates and if you can spare some time let me know.

See you all at the General Membership Meeting

Report

So, on Friday, April 25th, I will be doing a peameal on a bun dinner, followed by a games night. If anyone hasn't experienced the club's peameal, you are in for a real treat, as many can testify. Check out my flyer.

This will also be the end of our pre-season games nights until the fall, so stick around and take your chances that I don't take out my revenge on you at the euchre table.

Also, the club roster will soon be ready so watch for the email announcing it's availability.
