Commodore's Report

Here it is August already and the summer is flying by. First I would like to thank all of the participants in our poker dinghy run and everyone that helped. Also thanks to the marinas that allowed us to use their property. Everyone said that it was a blast. An Ace high flush won first place, followed by 3 Kings then 2 pair. All of the winners kindly donated their winnings back to the club. They said that they were just happy to have something different to do with their boats. The 50/50 raffle winner also gave back most of the winnings. The wine basket donated by Lady Linda Deans was first won by our own Pat Brough who said to draw again. After dumpster diving for her tickets Michele Arquette won the basket.

When the board decided to have a poker dinghy run it also decided open it up to boaters from all the marinas. We had no idea that it would be so well received and we had 84 people register for the dinghy run. My question is where were you? If we had not opened the dinghy run up to other boaters we would have lost money on this event. To the 17 SPBC members that did sign up THANK YOU. Where were the rest of you?

Our club relies on fund raising and volunteers to operate. This year especially has been tight due to the Covid-19 virus. Our first event was the dinghy run and only 17 of our members showed up. We know that a lot of people are scared of the virus. This was the only type of event we could think of that would be possible to remain socially distanced in individual vessels. Without participation from our members our club will cease to exist. If that is OK with you then do not participate or volunteer. If you want this club to carry on Volunteer, Participate.

Due to the virus we are not able to hold any large events. Therefore the annual Regatta as well as the Commodore's Ball have been cancelled.

Fleet Captain's **Report**

As we continue to stay in Stage 2 of the Coronavirus, unfortunately the majority of SPBC Club events continue to be cancelled. AYC have resumed in person meetings, but I am unable to attend the meetings due to the continued US/Canada boarder closure. Looking forward to additional easing of restrictions so we can begin having functions without restrictions again. Stay safe and hope to see you all soon!

I am sure everyone is still talking about the dinghy/poker run last Saturday. There were lots of laughs and soaking wet people! It was a long awaited and well deserved event and the turnout most certainly proved it! It was nice to see so many of our members participating and so many new faces from the community.

Great job, Everyone!

Report

The number of memberships has not changed since last month, but I got a request for a new member application to be sent out and one of the members that did not renew earlier has decided he does, in fact, want to be part of the club. And of course he will be welcome!!

The dinghy run was such a success and so entertaining!! The Bastien/Bondy group, (our kids and grandchildren, 14 of us), had a blast!! They are all going to upgrade their water guns to pumpers for the next one!! It was a great day and there were so many new faces there that I am hoping a few will be interested in joining the club in the future!

Communications

Report

As a Past Commodore of this club, there is great pride in whom you are representing, especially when in communion with the other Commodores from some of the great boat clubs across the border. We talk of our clubs as nurtured children and forget about the internal troubles, only speaking of the good times and marked triumphs of individual events. This is a face we must wear, even though we walk the thin line of failure. This failure comes in the form, not of monetary issues, which we can evade for a while, but in the form of non-interest and apathy towards commitment. We are the picture of the kitten hanging on with one paw, on the very end of a rope, hoping that someone will come along to save the day. WE NEED PEOPLE in executive roles for next year, hell, it's not a difficult thing to do. The precipice is near and the day is swiftly approaching. Please give this matter some thought.

As expressed in our other bridge reports, the dinghy poker run was a huge success. So many smiling faces and high spirits told the tale. What I derived from all this is that people want to actively do things and with the presence of many young couples and families, the energy and enthusiasm powered the day. I feel that if we can keep this format of activity alive in some manner, we can upgrade the image of the club to attract a new, younger group and solve the problems I spoke of in the preceding paragraph.
