Commodore's Report

Greetings to all, especially the many new members we have gained in the past month. I feel as though the summer is going by far too quick. It has been another exciting month representing our club at 7 cocktail parties across Michigan and Ohio. I am writing this report just before we leave for Put-in-Bay for the ILYA Power Regatta. From what I am hearing, there seem to be a number of our members attending as well.

We have had some very successful events in July like the Toga themed dinghy run. Thanks to all that came out and made it a huge success, and a special thanks to RC Julie Holmes and FC Bob Skeates for a great event. I want to also thank everyone that came out to our Greek themed dinner at the clubhouse followed by karaoke. I myself have never seen the clubhouse that full, and was entertained by all the talent at Holiday Harbour later during our karaoke event.

Plans are underway, and a committee is busy planning for our annual Regatta that is taking place on August 27th here on the beautiful Holiday Harbour property. I hope everyone keeps the date open to attend what looks to be a great evening of entertainment by our very own Rick Ingalls and The Power and the Glory band.

In closing, I look forward to meeting all the new members soon, and of course spending time here or away with any member is always memorable. Looking forward to our next away trip to Elba Mar. Happy Boating!

Vice Commodore's **Report**

Wow. It's hard to believe that the year is more than half over. Time does fly when you're having fun in the hot sun.

As I look into fall, I am thinking about a couple of items in particular.

One is our Commodore's Ball, which will be held at St. Clair Centre for the Arts on November 19th. It's a beautiful event to thank our Commodore for all his hard work, with a nice dinner and dancing for all our Sun Parlour friends. Pencil in the date and plan to attend. Tickets will be on sale soon.

Secondly, our change of watch is in December and we will be looking to fill the position of Fleet Captain. The Fleet Captain is a great position where you assist the Commodores, learn to plan events and participate in events with all of the other AYC Fleet Captains. It's a great way to get to know more of our US friends and to be welcomed into the US Clubhouses. You should anticipate "running the flags" (moving up each year to eventually become Commodore of our Club). Please think about whether you, or someone you know would make a great Fleet Captain. We will be looking for nominations soon.

Also, please remember to check at the end of the log for our Events Calendar. We've had to make some minor changes to our schedule and checking that listing will keep you up to date.

See you on the water!

Greetings all!! It is so nice to see everyone enjoying their summer. I have heard a lot of stories from our SPBC members that are travelling to the many yacht clubs and destinations affiliated with our club. It sounds like there is always a party to be found. July was also a lot of fun in this area too! Our first dinghy run was a great success! I would like to congratulate all our winners. It was really funny to see all the creative toga costumes! Thank you everyone for being good sports and for coming out to support our club. We couldn't make it without you. The bridge is working hard to bring more events this August. Our away trip to Elba Mar on the 5th and 6th, the 2nd Dinghy Run on the 13th and of course the big Regatta Party on the 27th!! Please save the dates and see you there!

Fleet Captain's **Report**

Another summer month is almost over. Where has the time gone?

We have had a busy summer. Our events have been very successful due to great attendance which has garnered some nice income for the club and the ball. The finest result has been the fun the members of our club and guests have had. That makes the hard work and time worthwhile.

The other marinas have been very supportive for the dinghy run and we were also able to enjoy the fireworks from Beattie's Marina. It is important we are developing those relationships.

We had our first overnight visitor who was from Great Lakes Steel Boat Club. They said they had a great time and really appreciated our hospitality and support. I spoke with Brianna and she said she will bill the club for the overnight docking fee of \$50.00.

Although August will be another busy month, Julie and I are looking forward to ensuring events run well and club members truly enjoy them. Any questions or concerns please do not hesitate to call me.

So remember, "LET IT RIDE..."

Summer is flying by, and the Club is in Full Swing. July's Dingy Run and Mediterranean Dinner were both a huge success. Coming up in August we have an SPBC Rendezvous scheduled for the week-end of August 5th at Elba Mar Boat Club, if you are planning on attending, please register with Vice Commodore Pat Brough ASAP. Plans are currently being developed and volunteers being requested for our annual Regatta on August 27th. With a full Itinerary planned, we are going to need everyone's help. Please step up and volunteer, lots of hands make for light work. Commodore Gerry and Lady Pat along with the Club Executive Committee have assembled an ambitious calendar of Club events to keep all our Membership engaged through 2022. Please remember this is your Club and its success is dependant on everyone's participation.
