Commodore's Report

Hello everyone . Hope everyone is enjoying the summer and you are staying safe.

I think the Dinghy Poker Run that we had on July 20th . was a great success . We had 42 people and all had a great time . Thank you all for coming and I want to thank everyone who helped make this a success. Couldn't do it without you . ☐

Attended a few Cocktail Receptions in July as well as Elba-Mar poker run . They were all very nice . Looking forward to a great August . Check the events and try to attend when you can.

I am planning a Commodore Fund Raiser in August. Peameal Bacon sandwich with sides . It will be held at Seaway Boat Club probably on a Tuesday nite. I will keep you informed.

Enjoy the rest of your Summer it sure is going by fast

Rear Commodore's Report

As July ticks by I have to apologize for missing the dinghy poker run this month. I unfortunately cannot make every event. I did make it to Middle Bass Island however and spent a bit of time exploring the old Lonz Winery. It is now a state park. You will remember that in late July 2000 they had a terrace collapse where 2 people were killed and 75 injured. As great as this summer has been, it's also had some of its own tragedies. I guess I just really want to remind people that if you get into an accident on land, you might break an arm. If that same injury happens on water, you could be moving on to the next chapter. Play hard, but play safe.

Special Note: The Club Roasters have been printed so stop by the Clubhouse to pick yours up...Thanks

Welcome to summer, it is a great time to belong to the Club.

Vacation time has started and it nice to see a lot of members traveling together, going to different ports of call together. That's what this club is all about; doing things together and helping new members find their way.

Toledo Sailing Club is the Club's second rendezvous, Lobsterfest Weekend Friday August 30th, Saturday August 31st, and Sunday September 1st. This event sells out fast so if you are thinking of attending you will have to make your own arrangement with Toledo Sailing Club. Here is the information you will need; The Harbour Masters name is Floyd Keton ph. 419-356-5885
Email; ketontime@outlook.com . He should be able to direct you for dockage and ticket information.

Our Dingy Poker Run was a great success again and there just might be another in the works so stand by for more information.

Our Christmas In July event hosted by Sun Parlour and Holiday Harbour is getting better each year. The food was great and the decoration is a nice touch. Next year we are hoping more people get involved.

Have fun in the sun and stay safe.

Report

As we are now in the midst of summer, our minds turn to fall as plans and obligations hit our calendar.

As Immediate Past Commodore, one of my obligations is to plan the Commodore's Ball which will take place in November. I am in the process of putting together the committee and would welcome anyone who wishes to join in and help plan the weekend to celebrate our Commodore.

Hope you all continue to have a safe and wonderful summer.

Communications Report

As our year moves forward we have had many successful events and I just would like to thank those of you who took an interest in attending them, for doing so. I also would like to mention that the club keeps growing with new members popping up continuously and the hopes are, that in some little way, they offer their assistance to keep this club alive. Most of the backbone of the club are getting up in years and would like to pass along the torch to a younger group of individuals to carry on, not only the tradition, but continue to offer the membership the fun and camaraderie associated with being one of us. Just give it some thought and you don't need to give up your life to serve the club, only a very small portion of it, occasionally.

This all comes from the mind of the Old Guy sitting behind the keyboard.

Oh, this position could also be up for grabs as well.
