Commodore's Report

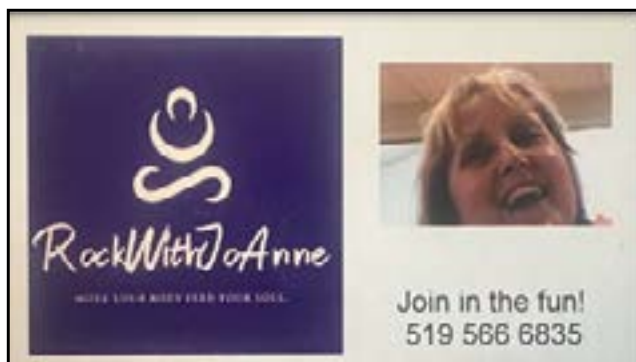

Wow.... August already!!! There has been a lot of activity this past month. Away events and those held at the Clubhouse. A couple weeks ago the SPBC Gang hosted the SPBC / Holiday Harbour - Christmas in July / Family Day event. This event was a huge success with very special thanks going to FC Kari, Michelle Clark, Julie Holmes, Craig Ascott, Brianna Laking and the countless others that worked it. The pool and kid's games were excellent with every kid receiving a gift. There were many donations, and regretfully I am at lose as of this writing to the names of those that donated for the children's gifts. Many thanks to ALL those generous folks. We also received a generous donation from Holiday Harbour. Without ALL OF YOU this event would not have been the huge success it was.

As I as sure many have noticed, the repairs are marching along. With everyone's busy schedule, we were not able to attract volunteers for the skirting, as such were hired it. It was a huge undertaking and is nearing completion. This repair was badly needed as are a few other items we would like to wrap up before the regatta. There is some exterior painting, stair construction, gutter guards and deck repairs to compete. If anyone can help out, please let us know as soon as possible by reaching out to VC Scott Pillon, RC Jerry Taylor or myself. If we have to hire the work out, we many not be able to complete everything we were hoping to achieve.

In August we have a VERY busy event schedule. Please see Fleet Captain Kari's report for the details and register as soon as you are able. The big event of the year is also rapidly approaching, the SPBC Regatta. VC Scott, Regalia Officer Marianna and FC Kari and AFC Greg need your help. PLEASE reach out to them as soon as you can to offer support.

One of the biggest fundraisers that we do is the Basket Raffle at the Regatta. Michelle Clark has done this in the past and has done a fantastic job. Please, if you are able, donate a basket for this cause. The funds go towards events and operating costs for the Club to help keep dues low and help offer those little extras at SPBC events.

Sharon and I look forward to seeing everyone soon and hope all stay healthy and happy.

Report

Don't look now but the boating season is over half finished. We continue to work on keeping the momentum going strong throw-out the season. About this time of year, we start looking for next year's board and perhaps having them shadow some of this year's players who are not looking for positions for 2026. Many possible positions are open. We have a sponsorship committee that I head up to look for new board members. It's important to start making plans for next season to keep the club moving in a positive direction. If you're thinking about it, let one of us know. We will get you started with the next steps. From my own point of view, I have found it to be a lot of fun, appreciated, and rewarding.

Report

As the summer rolls on our board is hard at it making every event Great. Hard work and commitment from the board and members is greatly appreciated.

Upcoming events include Dingy poker run , and Great Lakes Boat Club Trip. Regatta in September is coming together nicely. Volunteers for regatta will be needed. The plan is to have short shifts so everyone can enjoy a great weekend. We will be posting a volunteer sheet soon.

Be safe, have fun and enjoy the boating season.

Communications

Report

For the last decade I have faithfully served the Sun Parlour Boat Club on the executive as the Communications Officer and as Commodore. It is time to move on and allow the club to move ahead with a younger staff and fresh ideas. This being said, I will step aside at the end of this year with memories of incredible times, ennumerous friends and a host of experiences that have enriched my life. I invite anyone who would like to carry on in this capacity to respond and I will offer as much help as necessary along with a history of files including software, clip art and past creations of all the events from the last 10 years. I started from scratch with no help, please give this your consideration and enjoy the benefits of taking this on.
