Commodore's Report

Congratulations go out to

this year's winner of the
Commodore's Raffle
(our beautiful Tiki Bar)

Hello Everyone ,

This will be my last report for the ship's log report as your Commodore for 2016 . It has been a great year representing our club. I have met so many people that I believe will be my friends for life. The change of watch is just around the corner which will be on December 9th, 2016 at our clubhouse as well as our general membership meeting. We need a complete board for the 2017 season. I have mentioned this before. I think we all assume someone else will do this and this is the case this year. Please email me as soon as possible so the 2017 board can be completed. There are several positions that need to be filled.

I would like to thank all the Sun Parlour members that took time to spend it with me at my Commodore's Ball last weekend. For those that helped out and put in endless hours putting this together, thank you. There were many compliments on the food and the panoramic views from all the rooms. I had a great time.

Let's all think how we can make our next year's board a great success and support our new commodore, Izzie, for 2017.

Vice Commodore's **Report**

As I write this, we've had our 2016 Commodore's Ball, had a few flurries of snow and the Lions are in FIRST place.

The Ball was a huge success with many compliments from our American friends on the venue and the food. It was also nice to see some of our club members in attendance. Many thanks to all who helped out in the Glow Room.

December 9th will be my big day. WOW, Commodore Izzie. On that evening we will be having a General Membership Meeting as well as our Change Of Watch. We need your ideas and support for the coming year. Come out and let us know what you would like the club to do. The 2017 Board is sadly lacking in people stepping up, we would appreciate any help, in any area, not necessarily at the Board level.

Rick and I would like to wish everyone a Very Merry Christmas and a Healthy, Safe and Happy New Year.

Fleet Captain's Report

CHANGE OF THE WATCH is now upon us. I look forward to raising our glasses to welcome our new bridge as we close the 2016 season and look onward to a new 2017 boating season.

LETTER OF THANKS Dear friends, this marks the end of my term as your 2016 Fleet Captain. In my last executive report, I would like to thank this year's bridge members and all other staff and club members for their trust in me as your Fleet Captain. Lady Judy and myself would like to thank all of you immensely for your participation, help and support at the events we were so honoured to host. Serving our club and making many new friends has been very rewarding with many memorable experiences.

Welcome to **JOE MELOCHE FORD SALES**

Past Commodore Report

As this is my last log report, I would like to thank the many wonderful members that have helped me out during the years I have served the club on the board. Your help has been really appreciated. I especially thank my wife, Louise for all her help over the years, without her, it would not have been possible.

I would like to thank all those from our club, the 16's and special guests who attended this year's SPBC Ball. We had a wonderful night, excellent food, great entertainment (thank you Reg) and a stunning venue. Special thanks go to our ball committee made up of Jim & Lorene Cyrowski, Bill & Connie Woods, Matt & Maria Morrison, Dan & Sheila Fitzpatrick, Rick Ingalls & Izzie Dulmage, as well, to Father Stan for prayers and Joe Gatfield, our master of ceremonies for the all their help. Without this crew of people, as well as the many others that helped, this event would not happen. Thanks again.

My years of "running the flags" serving SPBC has been a great experience. I am thankful for all the help I have received from officers before me and the lasting friendships made with others at our SPBC club, as well as the many clubs I have visited over the years.

As I set my course for the future, a quote from J.R.R. Tolkien, "Not all who wander are lost." Take care, I leave you in good hands for 2017.

I-LYA Update

Please be aware that the I-LYA 2016 Fall Meeting & Dinner is scheduled for December 2 & 3 at the Holiday Inn, French Quarters in Ohio. If at all possible, come out and support our SPBC P/C Chris Amlin as the I-LYA Commodore.

Membership Report

Ahoy Fellow Boaters,

With the end of November here, fall almost over and the winter season starting to settle in, it's time to start thinking about our Executive Team for 2017. There are still several positions open on the Board. Now is your time to step up and volunteer your energy and expertise. In order for Sun Parlour Boat Club to continue to be successful we need your help to secure a strong Bridge. If you have been enjoying the benefits of the Club for a few years I encourage you to become a participating active member.

Membership renewals for 2017 will be mailed out shortly to our members, I am sure you will notice a difference in the dues amount from last year. The Bridge decided to discontinue the optional purchase of Sun Parlour Dollars, therefore the renewal cost for 2017 is \$150.00. Please mail your renewals back to the Club in early January, this allows us to plan our activities for 2017 based on our paid memberships.

Thank you to the Bridge and everyone who volunteered at our many events throughout 2016.

I look forward to seeing everyone next year.

Dan

Communications **Report**

Ok, onward and upward. For some, December marks the end of the year and their release from the responsibilities of this fiscal era, but for me I stand next to our new Commodore ready for new challenges and a different approach. So, that in mind, the Change of Watch, December 9th is the ceremony, but most importantly, is the meeting that also takes place that night. There are VITAL issues to be discussed that will affect everyone in the club. Please make an effort to attend. Also, I will be releasing an initiative to increase our membership, an issue that is of primary concern.

I-LYA has their fall meeting and Change of Watch on Dec. 2nd and 3rd, the only other event on our calendar for this year. This in mind, January starts a new year and the beginning of an aggressive attempt to increase the number of club events. So, without Sun Parlour Dollars and other money generating methods in the form of donations, we have cut our ability to produce funds needed to run the club. This makes it all the more essential to support the operations of the club by attending events. I am building a list of members willing to help out at various times when necessary, and the more names I get, the less often I will require your assistance. I know that many of you do not want the commitment of the bridge, but I am bargaining on the fact that many are willing to help out. Please don't let our plans fail.

If you are interested, I can be contacted at spbccommunications@bell.net. Also, please watch for emails on events taking place in January.
