Commodore's

Report

2020 has not been an ideal year for the club, with most of our scheduled events being cancelled due to the Covid-19 virus. That includes Blessing of the Fleet, the Annual Regatta and the Commodore's Ball. The events that we did have were well attended and made money that the club needed desperately. As my term as your Commodore draws to a close I want to thank my wife Lady Linda, and all of the board of directors for being on this journey with me.

From our family to yours, Merry Christmas and a Happy & better New Year.

Once again due to the new restrictions the General Membership has been postponed.

Only 161 more days to the boat goes back in the water.

I will close my last report as your Commodore by saying what I always say;

This is your club get involved

Vice Commodore's **Report**

As December arrives and we look towards the Christmas Holidays and a New Year and the eventual roll out of an Covid 19 vaccine let's take a moment to reflect upon our lives and the blessings in them. I am truly thankful for my family and friends, and that while not liking the restrictions that were placed upon us I acknowledge the fact that most of us have remained safe and healthy, hopefully by the end of 2021 we will be back to a somewhat normal society able to once again to gather with our friends.

Merry Christmas and Happy New Year !!!

Once again our General Membership/Change of Watch Meeting will have to be rescheduled due to new Covid restrictions. Please stay tuned, this meeting will be rescheduled as soon as possible. Please monitor your emails for any changes.)

Our Membership also suffered this year with the onset of Covid-19, to all current members **THANK YOU** for standing by our Club and helping us make it through the year.

With the Change of Watch imminent there are still a few positions open on the executive for 2021. We are in need of an Assistant Fleet Captain and Regalia Officer . If you are interested and have been around the club for a few years, please considering volunteering for one of these positions.

As I am sure all of you are aware there is a lot of behind the scenes work that goes into the successful execution of any boat club event. Our events are only as good as the members who volunteer to help.

This vendor is authorized to work at Holiday Harbour

Report

When the Change of Watch is rescheduled, it will bring my third term as your Fleet Captain to an end! Wow how time flies! I would like to thank the Board and the Membership for allowing me this opportunity to support the Club and thank you all for everything you've done to make my job easier. Although Covid has limited Club events this year I'm sure you will continue to support the Club in the future and look forward to seeing you all soon. Stay safe and happy holidays to all!

Report

Well, this is the last report for 2020! What a crazy year it has been and I don't think there will be too many who will be sad to see it go! 2021 must be a better year!

The 2021 dues renewal invoices are prepared and will be sent out the first week in December. Keep an eye out in your email or mailbox!

As a result of the Crazy Covid year, Sun Parlour Boat Club has lost 20 memberships. So it is imperative that dues are received by the end of January. If we lose any more members, the club will be hard pressed to continue!

The holidays this year will not be celebrated like past years, but for those who can celebrate, I hope you have a Merry and Safe Christmas and a Very Much Easier New Year!

Report

As the SPBC Change of Watch has now been cancelled in December, I will continue in my role as Secretary until the Change of Watch can be rescheduled but I would like to thank you all for supporting me in my position as Secretary of the Club for the last three years. It has been a great experience and has allowed me to cultivate many new friendships! Coronavirus restrictions have really put a damper on our activities this year but I hope you will continue to stay involved and support your Board because the Club's future depends on it! Wishing you and your families a happy and safe holiday season!

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .

**When****Event****Where**

This year's Bridge, faced with the restrictions imposed by our Government to combat the impending Corona Virus will be listing events as they are organized. Polls on interest of attending will be taken and if the result is poor (less than 10), the idea will be scrapped. As the restrictions are lessened, more events will be planned.

**MEETING
NOTICE!**

General Membership Meeting & Change of Watch Ceremony

This is a notification and cordial invitation to attend the General Membership Meeting and Change of Watch Ceremony of the San Antonio Boat Club. It will take place on Friday, December 4, commencing at 7:00 p.m.

This meeting is important and your presence is requested as previous attempts this year have been pre-empted because of the Covid-19 restrictions, and topics vital to the operation of the Club need to be addressed. Due to the scope of the event, it was necessary to utilize an area much larger than the clubhouse to facilitate the social distancing requirement, and so, this meeting will take place in the Harmony In Action Bldg. located just off Valero Rd. at 5335 Woodward Blvd. (A MAP is included in the invitation form.) Also, face masks will be mandatory and there will be hand sanitizer provided to assure safety and to fulfill the necessary requirements of the day. There will be a limit of up to 50 people allowed to attend and so please respond early to reserve your seat for the meeting.

At the time this writing there are 8 seats left. You can respond by clicking [HERE](#).
