# *Commodore's* **Report**

I would like to wish everyone a Happy New Year.

I would to thank all the new & old board of directors and the P/C's for their donation from the Christmas Dinner. A donation was made to Hospice in the name of Lady Linda's mother Jean Smyth.

Lady Linda and I are looking forward to representing our club and so far we have attended a ball for Pointe Place Boat Club and will be attending West River Yacht and Cruising Club.

We are starting this year with a few openings on the board of directors and by the end of the year I would like to see those all filled. This will ensure that the club will have a future board of directors. So if you want this club to continue people better stand up and join the board of directors.

We had an events planning meeting and it is going to be a busy summer with a lot of events both away and local. So if you want to go someplace bring your idea to any one of the board of directors and we will try to make it happen.

**Remember: This is your boat club, Get involved**

Only 100 days until the boat goes back in water.

## Report

It is my honour to represent SPBC this year once again as your Fleet Captain. I am looking forward to representing the Club at the AYC monthly meetings and reporting back to you on the highlights. I look forward to assisting the Commodore and the Bridge as needed for Club events and encourage your participation. Hello all, as of late, there is nothing for me to report. At this time I am enjoying the slowdown from the past year as Commodore and looking forward to this year as your immediate Past Commodore.

## *Membership Chair*

### **Report**

Membership Chair Report- February 2020

Membership renewal invoices went out. A few have responded and so far we have lost three members but gained one making 93 memberships to date.

Still waiting for cheques to come in the mail.

Once we get the majority of renewals done, I will get new cards printed and to you long before the new boating season begins.

Hope to see most of you at all of the Club functions in this New Year.

RS

Mary Brannagan

## *Recording Secretary*

### **Report**

My role has changed somewhat this season and is limited to Recording Secretary. Thanks to Rick Ingalls for volunteering to continue developing the monthly newsletters and taking over the entire Communications Officer role. It is only through Club member's commitment to filling vacant roles that will sustain this Club. So please consider a future role that you might take over to continue the Club's successful existence.

I will continue to use the same email address SPBCsecretarymaryb@gmail.com so please add this to your "safe list" on your computer. We are looking forward to continuing the exciting momentum established last year! Keep up the good work everyone!

Many thanks for supporting the club!

Rick Ingalls

# Communications Report

So, making it official now, I have agreed to step back into the position that I held previously and vow to communicate the happenings of the club to all in a timely manner. This includes producing the Ship's Log where you can keep your finger on the pulse of the Club and be able to schedule your summer to include some of the great times that are yet to come. Achieving a greater interest in the Club is my focus as we will be attempting to reach out with heightened endeavour to Holiday Harbour and Beatties Sunset Marina to grow our ranks and show them what fun times are available. As you can see on the last page of the Log, we have loaded up our calendar and truly look forward to making these events as successful as humanly possible. So, come on out and help us make Sun Parlour the great club that it is. Ra Ra Sis Boom Ba.
