Commodore's **Report**

Ahoy Fellow Boaters,

Well, we finally made it through our General Membership Meeting and Change of Watch on Jan 29th. I would like to thank Joe Gatfield once again for moderating this meeting for us. I would also like to thank all of our Board Members for volunteering for this years board. We will be reaching out to the membership looking for event suggestions for our Club for 2021. Looking optimistically into the future I am hoping that we will be able to plan and execute a full calendar of activities. In the past we have opened the club for a planning meeting (virtual this year). The club is always looking for new ideas to share with our members. 2020 proved to be a challenging year, even so PC Bill Deans managed to execute several pre-covid events as well as two post-covid dingy poker runs which were well attended and a lot of fun. Way to think outside the box! Sheila and I are looking forward to 2021 even with the challenges it brings, hopefully by launch we are well into the vaccine rollout and a return to our pre-covid lives. With times being as strained as they are it makes us appreciate the time we are able to spend with our boating friends even more. Cheers to 2021.

Gerry Veerman

Vice Commodore's **Report**

Normally a first report of the year would have been before now, but due to these challenging times, our lives and club events have been delayed, postponed, re-scheduled or cancelled. Sun Parlour Boat Club continued to operate behind the scenes with a 2020 board that had as you can imagine struggled to keep our club moving forward, many thanks to our newest PC Bill Deans. This year will be much the same, and more than ever, we will be counting on our membership for support to survive. I look forward to my role as Vice Commodore, continuing from where I left off 2 years ago. I feel better prepared to fully support our Commodore Dan Fitzpatrick and the rest of our 2021 Bridge and Directors. We have enjoyed our time as members, making new friends with similar interests, and the vast knowledge available from our friends within the club as well as those we have met at other marinas we have travelled to over the past couple years. The days are now getting longer and before you know it, our boats will be hitting the water again. I am looking forward to a wonderful year and can't wait to see everyone in person again when things return to normal. I encourage all of us to invite family and friends to upcoming events coming in the future when it's safe to do so again. We have so much to offer and so much opportunity for growth. For now I wish you all wonderful boat waxing dreams and let's bring on 2021!

Rear Commodore's **Report**

Since joining Sun Parlour Boat Club in 2015, I have met many new friends and shared some great experiences while learning more about safe boating.

About a year and a half ago I volunteered to be the Treasurer of the club and made a commitment to myself to do the job for five years. As a recently retired Investment Advisor, I truly enjoyed the financial aspect of the Treasurer position and it was a difficult decision to give it up when I was asked to step into the Rear Commodore role. I was also unsure if I wanted to commit the time to the role as I have a large, close knit family that gets together often.

However, I am very mindful of the history of this Club. Sun Parlour celebrated its 50th anniversary in 2018 and this is the club my parents and other family members belonged to in the late 1970's. Ensuring we have a strong club with a bright future is important to me.

I have a lot to learn about my new position, but there are many experienced members whom, I'm sure, will provide the guidance I need. It is my hope we will increase membership and participation and that we will attract younger people to the club, to carry it forward.

I would like to congratulate the rest of the new Directors. I am looking forward to working with you and look forward to meeting old and new members at Club events.

Fleet Captain's **Report**

I would like to thank Commodore Dan, Lady Sheila and the Bridge for letting me have the position of Fleet Captain. For the members that may not know me, Lady Lorene and I represented the club 20 years ago as Commodore. I was on the Bridge 7 years. I hope all had joyfull and safe holidays. In addition to my duties as Fleet Captain, I plan to help out around the clubhouse, keep track of club supplies, and help other officers if they ask. I have a request for all members. Please make sure to rejoin! The club needs you now. As soon as we are allowed, you will see events being planned. Your support is needed for our club to continue in the great way it always has.

Here's hoping to see you soon! Thanks FC, Jim Cyrowski

Immediate Past Commodore's **Report**

This will be my last report as your Commodore. After tonight's meeting I will become the immediate past Commodore and I am looking forward to working with the new board of directors. We have to say good bye to our Fleet Captain Greg Jolie and our secretary Mary Brannagan. I want to thank them both for their service and I am sorry to see them leave but I am sure that they will still be a major part of our club. Safe boating where ever you travel.

Last year was different to say the least. With the restriction for the virus we were delayed working on our boats to get them ready for launch. Then our events were cancelled one by one including the blessing of the fleet, shake down, the regatta, and the commodore's ball. We still managed to have a couple of dinghy runs that everyone enjoyed.

This year we have to stay positive and plan our events as usual, if we have to cancel them because of the virus so be it. I am sure that we will be able to do some boating events.

Lady Linda and I would to say thank you, we were honoured to represent Sun Parlour Boat Club as your Commodore and Lady.

This is my first log report as your Past Commodore and I am looking forward to a better summer of boating than last year. As we navigate the restrictions for Covid I am staying positive and the club will plan events as usual. Hopefully we can have some of our normal events, after all it is only 99 days until the boat goes back in the water. Remember: This is your Club Get involved. This has been a very trying year for Sun Parlour Boat Club. Many tough and unusual decisions had to be made and dealt with, which I believe your Board has done an excellent job executing. So, I would like to take this opportunity to thank our Commodore, Bridge Officers, Executives and all the members who came out to support our very limited events for getting us through this year. THANK YOU

Report

As everyone knows and has heard many many times now, 2020 was an unusual year! The Change of Watch was very late and it was very odd to sit at home and stare at a screen, totally distanced from everyone involved. We are a social group that is used to being in a room all together, congratulating each other with fist bumps, high fives or slaps on the back! Not being able to do that was frustrating and disappointing but 2021 will be better!

My position has not changed, I will remain Membership Chairperson for another year. I want to congratulate, again, the new Bridge and Board and thank everyone for stepping into a position. After all the trials and tribulations of 2020, we have become stronger and more determined to bring Sun Parlour Boat Club back to its glory of years past!

Report

The most important aspect of this year is that we must remain positive. I believe that, as bad as the Covid numbers are presently, we as a Country will soon be on the mend and bit by bit a relaxation of restrictions will come to pass. This in mind, there will be an events planning meeting in February with a fully scheduled year projected. Each event will be evaluated according to the restrictions imposed at that time and input from our members is always welcomed and encouraged.

Immediate Past Commodore

This has been a very trying year for Sun Parlour Boat Club. Many tough and unusual decisions had to be made and dealt with, which I believe your Board has done an excellent job executing. So, I would like to take this opportunity to thank our Commodore, Bridge Officers, Executives and all the members who came out to support our very limited events for getting us through this year. THANK YOU

This year ends a 5 year commitment that I have made to Sun Parlour Boat Club to conduct the affairs and represent this club in all aspects deemed necessary. This has been a very rewarding, fun and demanding adventure that Lady Pat and I will not soon forget. We have made many friends and met many interesting people. Thank you for the opportunity and years of support. If you ever get the chance to hold a position in this club I would strongly advise you to do so, as the rewards are many. Yes it takes commitment and hard work at times, but there is also a lot of fun to be had.

Lady Pat and I wish you all a Healthy and Happy Year in 2021

Your 2019 P/C, Neil J. Bastien

Greg Jolie

Fleet Captain

Happy New Year everyone!

As lockdown and border closure continue due to corona virus, regular Club activities remain suspended... BUT...I was able to participate in an AYC Zoom Meeting November 30, 2020. It was reported that there is no update on the AYC Cruise at this time. The AYC Ball is tentatively scheduled for April 16 to 18, 2021 at the Sheraton in Romulus Michigan. The AYC Change of Watch should take place sometime in February 2021 at either Seaway BC or another location to be determined. Wyandotte Yacht Club which opened in 1952 will unfortunately officially close December 31, 2020.

Here's hoping to successful vaccinations and the opening of our Club activities in 2021.

Mary Brannagan

Recording Secretary

Coronavirus restrictions continue to put a damper on our activities but the end is near with the announcement of the vaccinations! I hope you will look ahead to the spring and summer and consider what you could do to become involved in your Club to support your Board in a time that the Club really needs your help! The Club's future depends on it! Wishing you and your families a happy, healthy and safe New Year!

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .
