Commodore's Report

As I sit here writing this first report as your 2022 Commodore, I can't help but think of what a great year this is going to be, even though it does seem we are still facing many challenges. We will be having an event planning meeting this month, so please reach out to us with any ideas or events you would like to see happen this year.

Pat and I have just tentatively booked our first away trip for Sun Parlour members near the end of June that will take place during a music festival. Stay tuned for details coming soon.

Ball season is now in full swing, and due to family commitments, we have had to decline some January events, but do plan on attending our first Ball on February 5th. As I'm sure most are aware, travelling to the States is no simple task, but we will do our best to represent Sun Parlour Boat Club regardless.

We have more weeks of winter behind us now than we have ahead of us. Spring launch will be here soon. Many of us start working on our boats in April for the upcoming season which is only 8 weeks away. I like to optimistically include spring preparations as part of our short boating season, so now is a good time to start thinking of what you need to order from our local boating suppliers.

In closing, I would like to thank all our members that continue to support this amazing club. It takes all of us to make SPBC the success it's been for many years. I look forward to seeing everyone again soon, and to meeting the many new members and friends in the coming years.

Vice Commodore's Report

Winter can be pretty quiet for boaters, but your Sun Parlour Boat Club executive group has been busy preparing for the upcoming year.

We've now held two Executive meetings; bringing the new board members up to date, planning and keeping the Clubhouse up to snuff.

We are holding an Event Planning Meeting this month and will be planning a full year of Calendar Events. We were able to hold some fun, very successful events, despite the shutdowns of the past couple years and I am expecting to be able to do even more this year.

Remember to renew your membership if you haven't done so already as our Membership Roster will be printed soon.

Keep warm!

Rear Commodore's **Report**

I hope everyone is staying safe and warm during the continued lockdowns. Although the club has been closed and we have not been able to host events like game nights, darts and cookoffs, we are still making plans and will begin to offer these much needed get-togethers when restrictions lift. Our event meeting is happening soon and we will be busy planning parties, cruises and getaways for the upcoming boating season. Whether the US side is open to us or not, we are confident that we will make the best out of this coming year with many fun filled adventures! Keep smiling everyone and enjoy the rest of winter. We are only one short month away from spring!!

Fleet Captain's **Report**

Happy New Year to all SPBC Members! I'm very excited and it's truly an honour, to be elected to the Board of Directors as your 2022 Fleet Captain. I believe we have a great group in place to provide you with an exciting boating season. Although the Covid pandemic and its constantly changing rules and regulations certainly complicate our planning processes, our first priority is and will always be the safety, health and well-being of our Members. Although there were limitations, we had a lot of fun during the 2021 season. I am confident we will have a very successful and fun season during 2022 with the plans we have.

I will keep you posted as we fill the calendar of events.

Looking forward to seeing all of you soon. Be safe and enjoy all life has to offer!

Report

As winter has a hold on us at this point and with the current Covid restrictions just being lifted, there is not much to report at this time. There is an event planning meeting scheduled in the near future that will outline our 2022 year, so stay tuned. I am sure Commodore Gerry and Lady Pat will lead us on an adventure packed year.

If you have not already done so please remit your dues for the 2022 season, the bills keep coming in during the cold winter months as well, it also makes it easier to plan away-events when we have an idea of how many members we actually have.

I-LYA POWERBOAT REGATTA The Power Boat committee is looking forward to this year's regatta. Work has already begun with our entire chairperson spots filled for the year. A reminder to all planning on attending the power regatta at Put In Bay in 2022, the dates for this year will be July 27th – 31st. Be sure to get those vacation dates submitted to your boss to join us at the Bay for this year's fun.

Membership Chair

Report

Membership dues are coming in regularly. Thirty invoices have been paid so far, with 26 still outstanding. By the end of the week, those outstanding will have been sent hard copies of their invoices by regular mail. Hopefully, that will get them to pay before the end of the month. We have had one new member not renew.

Most renewals so far have been paid by e-transfer. This makes it easier for everyone involved!

So far the breakdown of memberships is as follows:

17 non voting members

9 PC's paying 92.50

9 new members paying \$100 again this year

38 paying full price of \$175

73 active memberships on the books as of today. This number can change depending on the outcome of the outstanding invoices. I should have a final total by February's meeting.

Report

Welcome back all you stalwarts who believe that there will be life after covid and have supported the club in our time of need. This coming year will be unique as Gerry and Pat, our new leaders, have the ambition and the drive to present activities on a level that we have been missing in our last two years of pandemic. Accompanying that is a closer knit relationship with our hosting marina, the home of our club, Holiday Harbour. Unfortunately, due to the last ditch push of Omicron stalling the relaxing of restrictions, we will have to delay the start of all the fun and will be presenting our list of events in next month's Log. Hang in there, spring is just around the corner, keep a stiff upper lip and a tissue in your pocket (just in case) and we'll see you soon with all the details.

Due to the imbalance imposed on us by the constantly changing Covid restrictions, there will be a delay in the posting of our upcoming events. We have to know what our limitations are before we can update any schedule. Watch for emails broadcasting our event changes.

As we are in a constant state of flux, expect to see additional events added to the following list.

The Event Planning meeting had to be delayed but next month's Log will be updated with a summary of our events for 2022. That, along with email notifications and our Facebook Page will inform you on what's happening.
