Commodore's Report

Happy July to all you Members, old and new.

I hope you're all taking a look at the Log to see all the events planned for July, for there are many. Though the water is very high at a lot of the boat clubs, don't let that deter you from participating. What is a little adversity, while having a lot of fun?

As the year progresses I am happy to report that our number of members are increasing steadily. I would like to take this opportunity to extend a warm welcome to them and ask that all members go out of your way to do the same. We were all new once.

With that, I bid you Adieu.

Sea you on the water.

Congratulations to Bill Deans on winning the BBQ and Lee Ann Chute on winning the 50/50 draw. I also want to thank the event organizers Bill And Linda Deans and Sheila Fitzpatrick. Membership Chair

Good day Everyone, not much new on the Membership Report for June. The introductory membership offer is still available to new members for the 2019 season. The cost is \$100.00 for your 1st year then \$150.00 going forward into year 2. Over the last couple of years we have added several new members through this initiative. If you know any like minded individuals who would appreciate the commaradie of joining our club please make a referral to our website for an Introductory Membership application. For all our members we are looking for someone to step into the membership chair position as I am technically not allowed to hold 2 positions. The work for this boating season (this position) is complete. The job requires some minimal computer skill, please give it some consideration.

Fleet Captain's

Report

Time flies when you're having fun!!! It is the July log already and boating season is in full swing! Thanks to all who participated in, volunteered and attended the Blessing of the Fleet! This event was well attended and a great time was had by all.

Thanks to Vice Commodore Bill Deans and Lady Linda for all your hard work and planning for the Leamington Marina away event which took place in June. Though wet and rainy, it was a lot of laughs and a really great time.

Make sure you check the Clubhouse bulletin board and your monthly Log for AYC event flyers for upcoming club events you might be interested in attending. We were advised by AYC to pay attention to no wake zones this summer as the coast guard have indicated they will be enforcing this more this year due to high water.

Always put safety first when boating!

Immediate Past Commodore's **Report**

Good day y'all. Well, it seems like there's not much for me to report, all the bases have been covered. I will mention the fact that next month, in August, we have our yearly Regatta and this is an event that requires some help to put on. The regulars know what I am talking about and usually participate. This note is for our newcomers. This club does not have Work Hours and relies totally on our membership volunteering to assist in setup and follow through for its success. The work is not hard but extra hands are required to get the many things done. Please take this as an invitation to be an assistant with the goings on within your own club and just do it. It only means an hour or two out of your day and will lighten the load greatly for the people who are already doing their share. There is a sign up sheet on the door of the refrigerator in the clubhouse. Check it out and give us your help.
