# Commodore's Report

Slowly things have started to go back to some sense of normality. The boats are going in the water and at least we can go out on the boat, with restrictions of course. Most of the events at other clubs have cancelled or postponed and now we have to look at doing the same for the month of July and possibly the Regatta in August and the Commodore's Ball in November.

Enough of the doom and gloom. There seemed to be enough interest to have dinghy poker run. We are working on the logistics of how to social distance at the stops and what stops to make. More information to follow as we make the necessary arrangements.

# *Vice Commodore's* **Report**

Hello Everyone, not much to report on as we have finally escaped Phase 1 of Ontario's Covid Precautions. I am hoping that everyone is enjoying the summer weather to date. The Executive is attempting to plan a couple of events to try and salvage what we can of the summer, and of course we will be including all of the recommended precautions. Keep an eye on the calendar for a small event mid July.

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweat-shirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered.

## Report

Although we are entering Stage 2 of the Coronavirus, unfortunately our hands are tied and SPBC Club events continue to be cancelled until further notice. AYC have resumed in person meetings, but I was unable to attend the June meeting due to the continued US/Canada boarder closure. Looking forward to additional easing of restrictions so we can begin having functions again. Stay safe and hope to see you all soon!

### Report

Yipppeee!! Thankfully we are entering Stage 2 of the Coronavirus and are able to slightly loosen up more restrictions! The Executive Committee was finally able to meet in person for our June meeting and of course adhered to social distancing guidelines! This has been a trying time for many but know that adhering to guidelines set out by the governing bodies today will allow for our events to start up sooner than if we don't. Make sure you continue to read your monthly log to keep updated on all the latest happenings and remind fellow members to do the same. I hope you and your families stay safe and am looking forward to seeing you all soon! Many thanks to all for your continued support!

### **Report**

Hopefully the rest of the summer will be better than spring was!

The drop in membership is rather significant! As of right now, there are 74 memberships on the books. This total includes the 16 Lifetime memberships. Last year we had 96 memberships!

Let's see if we can build that number back up again by the end of summer!

The 2020 Roster has been printed and are in my possession. If you would like to pick it up along with your membership cards, just let me know. Also, I will bring them with me whenever we can get back together as a group.
