# Commodore's Report

Ahoy fellow Boaters,

Welcome to summer and our 1st event of the year, July 10th Dingy Poker Run, check your email for the flyer and please pre-register. Registration information is on the Flyer. Our 2nd event is scheduled for July 18th it is the annual SPBC Blessing of the Fleet, this will be open to all boaters whether you are a Club Member or not. If you never been involved in a Blessing of the Fleet before it is a great opportunity to show off your boat and meet new friends. This is also an event that requires pre-notification as there is a lot of planning that takes place to make this fun and successful, registration information will be sent out electronically and is included in your July log. Outside at the SPBC Clubhouse we have a Burger Night /Karaoke Event planned for July 23rd. Burgers with the fixings will be available at a nominal fee and then Karaoke will be hosted by PC Rick Ingalls and band member Claude Pinard, this should be a fun evening for everyone. We have also planned an away event to Belle River Marina from July 30th-Aug 2nd. Belle River Marina had 9 transient wells open and they are all reserved. We do have a wait list if there are any cancellations. I have also contacted 3 additional marinas regarding transient wells and am waiting to hear back from them. Hopefully we will be in Level 3 of the Covid opening plan ahead of schedule and will be able to safely execute additional events.

Members are reminded that any Club events will require that Covid Protection Measures are followed.

Thank you to everyone for their continued support as we move ahead into summer.

Happy Canada Day, and happy boating.

It's encouraging to hear of people getting their vaccines, and hopefully we get to the point of being able to have events again.

We are hopeful for fewer restrictions, and we are in the planning stages for some events coming soon.

Look forward to getting back to a normal boating season soon, and look forward to seeing everyone again.

Regards

Pat Brough

## Report

Yea! We're finally starting to open up again. Every day I see 5 to 6 Facebook friends getting their second vaccine; which is very promising.

We are finally able to start "penning in" some events, including an, ever popular, Dinghy Run with the Blessing of the Fleet to follow soon after. Where we feel we can hold an event and follow Covid rules, we will do so.

Your Bridge has been busy; we have held our regular monthly meetings all year, taking care of the business of the club and the keeping the clubhouse in shape and ready to go!!

I would like to take this time to say a special thank you to those of you who renewed your membership in that past two years, knowing you may only be "supporting" our club through the pandemic. Your dedication to our club is truly appreciated by your Bridge team. Now that things are opening up again, please encourage your friends to renew their memberships or to join our club; and again, THANK YOU for your ongoing support.

See you on the water!

# *Fleet Captain's* **Report**

Finally we have some good news. As we slowly open up, your club, lead by Commodore Dan and Lady Sheila, have put together a beginning on club events. July 10 is our Dingy Run, Thanks to all our partner marinas for stepping up. July 18th will be our Blessing of the Fleet. The format will be similar to past years. There may be more events later in July. As I said in last months report, we will have a Romanos Pig roast, now in August. The club is approaching scheduling events as we are allowed to do so. I will ask any member for help with the Blessing. Dockage assistance, and help in the clubhouse. Please check SPBC website for updates. AYC report.

Where do I begin. As we are all aware, our US clubs are hot and heavy into Poker Run/Regatta events. I am a member of the AYC Fleet Captains Facebook page, and I really miss seeing these fine people in person. July has a really full schedule. 2nd-3rd, DBBC Luaua, 2nd to 4th, Swan BC Regatta, 9th to 11th, EMBC Days, and ORYC Homecoming, 16th to 17th, Point Place BC Regatta, 23-24, Nugents Canal YC Poker Run. We have been fortunate to visit all these clubs in the past, and for what I can remember, Lady Lorene and I had a great time. Hold on dear members, we will be able to visit these clubs soon. Please check AYC website for updates.

## Report

With the loosening of the Covid restrictions, events will start to occur. These have been previously mentioned, with the exception of one. That will be a burger night on July the 23rd and will be followed with a night of entertainment. The entertainment will be in the form of a Karaoke night and so let's see how many of you have hidden talents to show to your friends. There is a wide selection of material to choose from and a quality sound system to display your gifts. So, don't be shy and believe me when I say this, the club could really use your support so please make a conscious effort to start attending some of these outings or they will cease to exist.

Last month I thanked my EH Team for volunteering their time to beautify our little domain, and the beat goes on. Work is continuing and so again, thanks for your efforts.

Our meeting with the new owners and management of Holiday Harbour went well and a plan to work together is developing. Better communications will produce a partnership where the facilities can be better used and a renewed push for membership might just replenish the people who left in the face of Covid. Times are tough, but, things are looking up.

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .
