Commodore's **Report**

It's hard to believe that we are into the back half of the year already. We have begun completing some long overdue repairs to the Clubhouse with the 1st project being the skirting around the bottom. Once we have the skirting installed, we will need to prime and paint. It's looking great and hopefully we will have it wrapped up in the next few weeks. Please, if anyone has some available time, please reach out to V/C Scott and lend a hand. Another much needed but smaller project is the cleaning of the gutters and installation of gutter guards. R/C Jerry Taylor is heading up this operation and is also looking for some support, so please reach out if you are able. The next bigger project will be the handicap ramp which we are trying to get done before the fall.

The SPBC / Holiday Harbour Opening of The Marina Party was hosted by SPBC and managed by F/C Kari and Assist Fleet Greg. The food was great and the party was well attended and a good time was had by all that attended. A big shout out to Kari and Greg and their team on another well-done event. Sunday Funday was hosted by V/C Scott and Regalia Officer Marianne and was also well attended and by all reports was another well done, fun filled gathering. I am grateful to Scott and team for all they have done to open the Clubhouse and host the various social gatherings that they have hosted throughout the year.

Please keep an eye out on the calendar of Events, website and Facebook postings for details on our up-and-coming Regatta. Scott / Marianne / Kari / Greg and the regatta team are working hard to provide a must attend weekend. Once they publish open registration, please sign up so that they have solid numbers to plan for.

Looking forward to seeing everyone soon.

Vice Commodore's

Report

Well for those who missed it, June was a great month for SPBC. Opening of the marina saw a tremendous amount of participants and everyone had a great time. Sunday Funday progressive pool party had the pool rocking like never before. Upcoming away trips are highly anticipated. One other thing I wanted to write about. A few weeks ago, a powerboat (one of our members) got tied up in the start sequence of Monday night sailboat races. So what happens is there are up to 20 boats involved. There are 2 or 3 starts that are spaced 5 minutes apart. Flags are flown off the red committee boat that lets racers know when their race starts. It can get extremely hectic and this is definitely the most dangerous part of it. There are a lot of right away rules that powerboats simply don't have. End of the day, I just don't want to see anyone get hurt or any damage to any boats. If you see a pile of sailboats all piled up and a red steel boat with them, please try to avoid the area until the race is underway. Most but not all races start between the southern tip of Grassy and Fighting. Kind of straight across from Riverview Marina but in the other channel.

Fleet Captain's **Report**

We are finally getting into the groove of summer!

With the shakedown , blessing and opening of harbour complete we can concentrate on Christmas in July and regatta. Flyers have been posted and emails sent out for Christmas in July. Still looking for any donations for decorations and gifts for the kids. Hoping this will be a great event for our young ones during the day and our adults in the evening.

We have 18 boats scheduled for our away trip to swan July 4-6. Always guaranteed a great time with our friends there.

I would really like to thank our members and board for all there support this year as I entered into this role. I have thoroughly appreciated all your contributions and assistance.

Look forward to an awesome season with our members new and old!

Greg Rocheleau

Assistant Fleet Captain **Report**

As we get close to the end of June the heat is finally on. Some fun events in the month of June kept us busy.

This past Sunday we had the Holiday Harbour / Sun Parlor progressive Sunday Funday party. Everyone went above and beyond to make this the best Party Year to date. The pool was rockin and everyone was dancing and having a blast.

We are working to make every event a memorable one. Stay tuned for the July fun.
