# Commodore's Report

Well here it is June and my boat is still not in the water. But on the bright side the marinas are open and we can launch our boats. Unfortunately due to the virus we still have to be responsible and do our part by social distancing and keeping groups to five people.

That being said the board of SPBC sadly has cancelled or postponed all the events in June. We look forward to a time when we can all get together and socialize. Until that time please stay safe and healthy.

# *Vice Commodore's* **Report**

Happy June fellow boaters, as the pandemic restrictions continue through June there is not much to report. All club events for June have been suspended. As everyone is aware public gatherings are still limited to 5 people making it impossible nor safe for us to meet. Hopefully July will come with additional freedoms returning. Stay tuned for further updates.

## Report

SPBC Club events continue to be cancelled until further notice due to the pandemic. I recently attended the AYC meeting by Zoom and was advised that Point Place Boat Club and Nuggents Canal Yacht Club Poker Runs have been cancelled. We were also advised that Swan Boat Club and Elba Mar Boat Club Regattas have been cancelled. Looking forward to launching the boat and isolating on the water if nothing else! Stay safe and hope to see you all soon!

### **Report**

Like everyone else, there is not much to report, since we have not attended or hosted anything since the pandemic started. Hopefully that will change soon and the world slowly opens again.

Unfortunately, we have 20 memberships not being renewed this year. We are sorry to see you go. If you do want to rejoin, you would be welcome!

### **Report**

Thankfully we are able to slightly loosen up the restrictions put on us by this pandemic and at least get our boats in the water! Yipppeee!! The Executive Committee has continued to meet monthly by zoom and keep updated on boating news as it unfolds both in Canada and the United States. Make sure you continue to read your monthly log to keep updated on all the latest happenings. I hope you and your families stay safe during this outbreak. Looking forward to seeing you all soon! Many thanks to all for your continued support!

# Communications Report

At this time, there is nothing I can report on that hasn't been said, except for the deepest desire to re-unite the club, when things are safe, and to enjoy the family that, right now, is in exile from our normal way of life. The family that shared meals together, travelled to various destinations together, poked and prodded each other just for laughs and generally was the backbone of all that transpired within our little club. So, when the smoke clears, and normalcy is restored, I believe that the conditions will be right for growth, as isolation has robbed people of the camaraderie that they are so used to. Doesn't it hurt, not being able to hug your friends and family when you meet. Let's make the new day an opportunity to express what our club has to offer as we move ahead, past the trying times of pandemic and into the future.
