# Commodore's Report

As we leave spring behind, we look forward to more seasonal weather approaching, thus allowing us the opportunity to finish our many projects and chores for our boats. It does seem as though many of us have had our launch delayed, but things seem to be moving forward now.

Our Derby de Mayo event was a great success. I would like to thank our Rear Commodore Julie Holmes and Fleet Captain Bob Skeates for taking the lead for this event, and also many thanks to Russel and Kathy Moore for all the work of purchasing and cooking the food for this event, and of course many thanks to all that attended. Pat and I could not attend as we were in Ohio representing SPBC at Maumee River Yacht Club's Ball.

I would like to thank all that came out the following Friday the 13th for the Spaghetti Commodore's Ball Fundraiser. I don't think anyone went home hungry and a great evening of fellowship followed as did some fun games.

The following weekend had us attending two Commodore Cocktail receptions; first at West River Yacht and Cruising Club, followed by the Grosse Isle Yacht Club Commodore's cocktail party. Two days later, on the Monday, we were at Swan Boat Club for the monthly AYC meeting and as I write this report, plans are ongoing for the upcoming weekend in Toledo for the Opening of The Port weekend, followed by our Blessing of the Fleet the next day.

I look forward to the next few busy weeks, so many great events that we are planning as well as the many events we will be attending. Membership of this club has so much to offer. You get what you put into it so take advantage of all it has to offer. There are so many things happening, and we continue to plan for our next away trip as a club, to Sarnia Bay Marina. It promises to be a great weekend of fellowship as well as a weekend packed with entertainment with the Bluewater BorderFest Music festival happening all weekend long.

Have a safe and fun filled month of June, and I look forward to seeing everyone on the water soon.

# Vice Commodore's Report

The weather put many boaters behind in preparing for the season so we ended up postponing the Open House that was scheduled in May. We also ended up cancelling the Shakedown Cruise, although we tried numerous times/ways to carry it through. We were thwarted at first by government regulations and then numerous boaters not being ready when the regulation was loosened up suddenly, and at the last minute.

However, the club was able to hold a very successful Derby de Mayo, a Spaghetti Ball Fundraising dinner and our Blessing of the Fleet in May. Many thanks to all the volunteers who assisted and all those who participated in these events. We truly couldn't do it without you.

Gerry and I had a busy month with our AYC obligations attending two balls, two cocktail parties, Opening of the Port and an AYC meeting. We were initially hesitant to take on the responsibilities of Commodore & Vice when we were first asked to "run the flags", however, it has turned out to be a fun, exciting time, and we are making many new forever friends. I truly feel this time in my life will be forever memorable. If you have ever thought about it, I encourage you to "say yes" to stepping up to the SPBC board.

We have our next Sun Parlour away trip planned in June. A weekend in Sarnia which coincides with their Bluewater BorderFest; if you are interested let me know asap. There are also a couple of other upcoming Club Events, so please remember to look for the event listing at the end of this log and come out and have some fun with your mates.

# Rear Commodore's Report

Hello Boaters, Members and Friends!! May has passed and what a great month it was. The attendance at our General Membership meeting was low, so hopefully the numbers will increase for the next one. Derby De Mayo was a big success and I would like to thank everyone for being so generous! It was great to see everyone's smiling faces and I am very impressed with your crafting skills...the hats were unforgettable!! Spaghetti night was delicious and sticking around to play games after is always fun.

Unfortunately, a couple of events were cancelled/postponed, so look for the rescheduling dates in the near future. Hopefully we have a beautiful day for The Blessing of the Fleet. With May in the books, we are looking forward to a great June. The marinas are filling up and everyone is ready to get out on the water. Check your calendars for food nights and away events. See you all in Sarnia Bay on the 24th!!

## Report

Here it is June and nearly half the year is gone. Seems like the months are flying by quickly but the weather is not co-operating for boaters to get their boats water worthy! Neil and I went to the Swan mini poker run last weekend, by car, and found out the marinas on the American side are having the same troubles. There were hardly any boats in their marinas! Hopefully the weather turns shortly!

Rumour has it that a few people who let their membership lag, want to rejoin. I have not received any applications yet, so not sure if it will happen. Just to make it clear, all members, new or returning, need to be approved by the board at a board meeting. The applications are discussed and if approved they are initialled and dated by the Commodore. After this approval and payment has been made the cards will be given to the members. Our board meetings are held every first Monday of the month, the next one will be June 6th. New member dues are \$100 for the first year, returning members will be charged at the regular member rate of \$175. Applications can be sent electronically, request it by emailing me at [membersofspbc@gmail.com](mailto:membersofspbc@gmail.com). There are printed applications in the clubhouse, or you can get one from the website. New and returning members are always welcome!

# Communications Report

Here it is, springtime, and now that the ground has soaked up the lakes surrounding the clubhouse, we have had a chance to clean up the property and the building, cut the grass, rake up all the debris in our little area and manicure the garden areas to perfection. Many thanks go out to our workers who volunteered their time and effort in preparation for the Blessing of the Fleet and basically the start of the new season. Without this core group of individuals, who always show up when needed, there would be no club. On behalf of my EH Team I would like to say thank you to Gerry Veerman and the use of his tractor, Pat Brough, Bob Skeates, Julie Holmes, Lois and Lynwood Martin, Gerry Ediger, Linda Deans and Pat Ferguson for audibly entertaining us. As it turns out, this is a season long effort and anyone else who would like to join me and this little group of worker bees, please let me know and I will notify you each time we gather to do a little primping. Have a great year, we will.
