# Commodore's Report

Hello everyone. June already WOW

There was a lot of great events in May . I heard great things about all of them . I am sorry that I missed a lot of them . I had prior commitments , like working . ( Work gets in the way of everything LOL ) I did however make it to the Blessing of the Fleet . The ceremony was outstanding . I was honoured to be a part of it . Great job Jerry Taylor and everyone else involved with setting that up . The lunch afterward was delicious . Thanks everyone.

Swan Boat Club was very appreciative of the donation that we presented to them . It was also great to see so many SPBC members there. Let's continue to support them in any way we can .

June looks like it will be a busy month also. We are hosting the AYC meeting on Monday June 17 th. We will be needing volunteers to help out .

Hope everyone is looking forward to having a great summer. Enjoy it . It will be over before you know it

# Rear Commodore's Report

With boating season now in full swing, we are continuing to see great things happen at the club. Each and every event grows and prospers. The opening of the port partnership with Holiday Harbor shattered all expectations and SPBC members rose to the challenge. Blessing of the fleet was a bit more of a challenge coming the day after a fairly big bash. I find it very interesting watching the various personalities blend together and magically make it work. Thanks to those who helped out and thanks to those who attended.

After what seems like a lifetime, the new Gordie Howe Bridge will finally touch this month. I'm not sure if it's possible, but I am going to make an effort to be there when this historic event takes place. The magnitude of this bridge continues to amaze me and I am looking forward to using the span very soon.

# Fleet Captain's Report

Hello everyone and welcome to June.

May was a very busy month and it was a great time to be a member of the club.

The month started out with a Cinco de Mayo/Kentucky Derby event at the club thanks to the hard work by Kathie, Russ and their crew along with horseman Gerry Edgar and his stablemen. What a great party!

The Shakedown Cruise at FYC was next with a dozen boats or so attending. There was a meet and greet for those that arrived early enough Friday. Only a few participated in the Sun Parlour Games on Saturday afternoon, (I think most had too much fun on Friday night) but the rest of us had fun playing the corn hole toss game in the wind with Lady Linda Deans winning with her wicked curve ball in the wind. Having a variety of muffins went over well with the caesars and mimosas on Sunday Morning.

Thanks to harbour master Kyle and Fleet Captain Chad for their wonderful hospitality. Special thanks to Gerry and Sue Piccinin for all their help.

The Opening of the Marina BBQ was next and it was a great party, thanks to Holiday Harbour and their staff and thanks to all the members and other volunteers that helped me pull this off, I could not have done it without you. You all rock!

The next day was The Blessing of the Fleet and we had eight or nine boats along with a number of the Emergency Service vessels participated in the solemn event. Robert and Julie led the procession with Father Stan/Joan, Commodore Marilyn/ Paul and Rear Commodore Scott/Maryanne on the dock. PC Jim Cyrowski/Lorene, PC Reg Major/Lori and their crew of volunteers put on a fantastic lunch that was second to none. Thank you for making me look good.

Stay tuned, more fun to come...

## Report

We have had some beautiful weather lately and most of us are now in the water. I wish everyone a safe summer filled with fun & sun.

Gerry & I attended the Shakedown Cruise last month held at Ford Yacht Club. It was a great time and it was so nice to get to know some of our club members better. Thank you to our Fleet Captain Jerry Taylor for all his hard work organizing. He did a great job.

Next month, I look forward to the AYC Opening of the Island on June 8th at Ford Yacht Club. It is a beautiful ceremony and I encourage you to attend if possible. We are hosting the monthly AYC meeting at our clubhouse on Monday June 17th (date moved due to the Ford Fireworks) and we will also be attending the rendezvous at Cove Marina at month end.

SPBC will also be hosting a Peameal bacon dinner and our first Family Day at the Clubhouse, so please mark your calendars and join in the fun.

## Report

I have been heavily involved with printing the Roster for 2024. Minute Man Press has been handling it and there has been a lot of back and forth going on to get everything right. They have been difficult to work with but we are getting through it with persistent efforts.

We do have a lot of new members this year and hopes are that we get to see them at some of our events. We have lost a few as some have sold their boats, probably due to the fluctuations in the economy.

The events this year have been fantastic and we hope you are all enjoying the social aspect of SPBC.

All in all, to all members, happy boating and enjoy the season,

## Report

On June 6 we will, once again, be having a Peameal Bacon on a Bun dinner and if you haven't been around long enough to experience it, we've had rave reviews in the past years. A thick slice of Peameal along with sauteed onions (if you want) on a burger bun accompanied by a selection of salads and desserts for a simply marvellous meal that we've priced right, for your enjoyment.

Since I still have my pen in hand, I'd like to encourage you to support our brothers at Swan Boat Club, when you can, as they endure further hardship, brought about by the unfortunate incident which occurred last month.

Lastly, it seems like I am always sending out requests for salads and desserts and for help with events of one kind or another, but, the participation and camaraderie involved with these endeavours just brings us closer together and helps us realize what great bonding occurs when people work towards a common goal in a Club environment.
