May has been a very busy month for PC Sharon and I with work kicking off our 2025 paving season and our annual family vacation to Dryden. As such, we haven't been able to be around much during the month. The SPBC Shakedown Cruise to Swan Boat Club was another great event. I know that there were mixed feelings from some Members concerning this event, and while I understand and respect everyone's personal opinion, I think that its important to maintain our friendships with those that have been nothing but supportive of SPBC and its Membership. Thanks to FC Kari, Assist. FC Greg and the Members and staff at Swan Boat Club for hosting SPBC.

The Blessing of the Fleet was organized and run by Fleet Captain Kari and Assistant Fleet Greg and from the feedback that I have received, the event was a great success. Thanks to Kari, Greg and your entire team for putting on excellent events. You guys are doing an awesome job and I look forward to seeing what else you guys have in store.

As June rolls in, there will be lots to do. Please keep an eye on the SPBC Calander of Events for all the fun that is coming up. I hope that everyone has a fun filled June, that boat launch went well and we see nothing but great weather.

See you all soon.....

And just like that, our first home in-season event is complete. The Blessing of the Fleet went off without a hitch. Weather was great, the turnout was amazing and the whole day was a lot of fun. I wasn't able to get my own boat blessed but since I was on the dock, my close proximity to Father Stan blessing everyone else should get me through the season in stride.

Shakedown was also a great time, Swan boat club never disappoints. We did have some difficulty leaving Swan due to high winds and low water, but it all worked out. Upcoming events are coming in steady; our goal is to stay busy with affordable things to do as a group. Opening of Holiday Harbour (May 31st) promises to be a great time with food starting at 6:00, Tim Byrne playing at 7:00, and a night time re-fueling of pasta, and Pizza at 9:00. Our first Sunday/Funday is coming up June 18th, we are planning on keeping it pretty simple with a pool party with our youngest member Ethan DJing some classic rock, alternative rock, and maybe even some new stuff that most of us will hate. Bring it on, Ethan. We are hoping to get the pool temp up a couple of degrees for that day.

Hello everyone, summer is finally here, I think. All we need now is for the rain to slow down a bit and the temperature to warm up a bit so I can get my boat in the water.

Things have been hopping around the Clubhouse and with the Shakedown Cruise and the Blessing behind us; thanks to the outstanding job (and I mean outstanding) our new Fleet and Assistant Fleet Captains Kari and Greg have done, we should be able to sail right into the summer agenda.

Hope you are well and hope all the boats are ready to go.

LET'S HAVE SOME FUN

What a Fantastic May we had! Kari and I attended our 1st ball at Detroit Beach Boat Club. We met old friends and made new ones. We were pushing hard for our American friends to attend the SPBC Regatta!

The following week was Shakedown at Swan Boat Club, Another amazing time with SPBC members and SBC members. Water was a little shallow but we pushed our way through, I highly recommend you attend this event next year! The week-end after was Blessing of the Fleet, Our Fleet Captain knocked it out of the park, Kari's hard work and dedication To the club really did show at this event.

As the summer goes on, we are planning a few pop-up events. Any and all ideas are welcome. Stay tuned for all the fun at SPBC. Any and all ideas are welcome.
