Commodore's Report

This month has been rather busy with attending Commodore's Balls for Sun Seekers Boat Club and the AYC wild weekend. At this, all of the AYC Clubs work together to provide a venue like you've never seen, with two or three clubs turning a hotel room into a themed scene from an island of their choice. These rooms, numbering about twenty, surround the large atrium and for the whole weekend provide free food and drink to the masses who attend this great event. Our responsibility is to combine with two other clubs to put on a breakfast for the entire group of people which lasts for about three hours. This is a relatively small undertaking, comparatively. If you have never been to one of these events, please consider the one for next year, (always in February), for a great time among great people.

The next thing I want to say is that at the Steak and Chicken Barbecue, I was congratulated by numerous people on what a super event this was. I want to deflect the praise and say that we only provided the means for you people to get together. That's it. So, when you say it was a super event, it was you who were there, that made it a super event. Good people enjoying each other's company create the environment for this to occur. Individuals helping out, right down to Reg's grand daughters who, without prompting, did dishes following the meal. This is what a club is all about and with every passing day I get more offers to lend assistance.

I am very proud to be Commodore of such an entity.

Vice Commodore's **Report**

Bonjour fellow Boaters,

The month of Feb. has started to become very busy for myself and Lady Pat. Since the last report I have represented SPBC on Jan 22nd for the AYC monthly Meeting and our Executive and Events planning Meeting which have produced many great ideas for our upcoming year. Feb. 16th, 17th & 18th found Lady Pat and I in Perrysburg Ohio for the annual AYC Ball; it was a very fun and busy weekend, very well attended by all associated clubs. We helped cook and serve Breakfast to around 250 people who attended. Feb. 24 found us at SPBC's first steak and chicken BBQ of the year with over 40 friends and members attending, a "very well done" goes out to Rick and Izzie and all who came and contributed their time, food and desserts to the event. There are plenty of events planned for this year so keep an eye out on the ships log and SPBC's events page for times and places for upcoming events, and remember THIS IS YOUR CLUB so participate.

Happy March everyone. I have a feeling that 2018 will be an epic year. Based on the participation in Souper Sunday and the pictures I saw from the steak and chicken roast, nice to see a full-house. This mild weather we've experienced off and on surely has everyone thinking about preparing their boats for spring launch. Looking forward to an exciting year coming up.

Fleet Captain's **Report**

It is a great pleasure to serve as your Fleet Captain for the 2018 season.

This is our second year with the club and we have nothing but praise for our dedicated members and the two associations that we belong to (A.Y.C. and I.L.Y.A.). I'm sure most of you have heard of my fun trip to Put-In-Bay in 2017 but just in case you haven't, I'll be all too happy to recount how calm, collected and in charge of the situation I was before I was helped by these amazing folks.

We attended the A.Y.C. Weekend on February 16th, 17th and 18th in Perrysburg, OH. Wow, what an event! Our first event was amazing; the food, drinks and company were all top notch. I am happy to report that we were able to visit all of the island-themed hospitality suites and were impressed by the effort put in by all of the clubs. Sun Parlour's Saturday morning breakfast was a big hit with all attendees. As a newer member it was great to see the effort by all of our members who were present.

The club has some fun events planned for the season and I am looking forward to seeing you all out on the water and at the clubhouse. Please check out the calendar and come on out to join the fun.

Thanks so much to Sharon Amlin for capturing the spirit of the evening.

Spring is around the corner.

AYC weekend was a blast. Our Breakfast was as usual a big success despite the fact that we were not allowed to cook in the hotel. Ed Cantu from Lakefront Yacht Club graciously brought his trailer so that the eggs could be prepared in the parking lot. SPBC was represented by 15 people, and we hope to increase this number next year.

Our Steak/Chicken BBQ was well attended with over 40 people and we had a great time. Thanks to all who attended and brought sides to share.

There is an AYC Fundraiser Bowling Event on March 23rd in Monroe and SPBC has 2 teams taking part. Come out on March 29th to SPBC's Bowling night at Rose Bowl, always a fun night.

Commodore Rick and I are going on our first cruise with the Commodore Class of 2017, should be a riot.

It will be Spring when we return.
