Commodore's Report

Ahoy Fellow Boaters,

With March upon us and only 60 days until launch let's hope this weather continues, Spring will be here in a few weeks and as long as Covid Precautions allow we will start off the beginning of our Boating Season with a St. Patrick's Day Celebration. Several members of the Club met virtually on Feb 15th to plan our Club Events for 2021. Thank you to everyone who participated. We have a full Calendar of Events scheduled throughout the year. Obviously these maybe rescheduled or cancelled based on what we are actually allowed to do, as a Club we thought it was important to plan for the entire year and adjust as required. The boating season is short enough with trying to scramble to get together with our fellow club members. Looking forward to a better 2021 and to seeing everyone around the Club.

We will be adhering to all required Covid safety protocols in order to keep everyone safe.

Rear Commodore's **Report**

Vice Commodore, Gerry Veerman and I went to the clubhouse to check on it and look for ways to save money on our Hydro costs. We shut down one freezer and one refrigerator as they are generally expensive to operate and may not be needed for a few months. We gave the empty units a wipe down and also sprinkled baking soda in the empty fridge & freezer to keep them fresh.

Please promote and support your club. I am excited that my cousin, Frank Hamilton and his wife Jackie have joined our club this month. They are a fun couple and are looking forward to travelling with other members. They have a well at Holiday Harbour. Please welcome them, and remember to reach out to friends and family members who might be interested in joining our club.

As I write this, I am watching the ice melt on the river, the blue herons are back, and we are expecting above freezing temperatures for the next week, so spring is in the air. Our event planning meeting was held, by Zoom in February, and we will have a full slate of events for the year. We have also planned some events that can be held in spite of Covid, so I look forward to having some fun with our boating friends again.

Immediate Past Commodore's **Report**

There was an event planning meeting via zoom and a lot of things are planned for this year including a couple of outings to other marinas. We have to continue to plan for the best summer ever. Boating is only 8-10 weeks away depending on the weather. The snow is melting and the weather is getting warmer. I think it is time to start to get excited about the possibilities that boating will bring. We have the events planned all we need now is for You to show up at them. Remember that this is your club. **Get Involved.**

Report

So the club had an events planning meeting in February and some exciting events are planned! The general consensus was to invite everyone and their brothers, sisters, parents, kids and friends in the hopes of gaining new members! So that is our mission for 2021, to bring in as many new members as we can!

As of right now, we have 45 memberships in good standing. There are still 12 we have not heard from, 5 are not renewing, one past member is coming back and one new member has signed up. Those 17 not paying is a serious loss of revenue for our small club, so a major new member campaign is very important

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .
