Commodore's

Report

As another month passes, we get closer to boating season. For myself and the rest of your executive, it never stops. We continue to meet and plan for the up coming season. Pat and I have been able to cross the border and attend the Elba Mar Commodore's Ball as well as attend the AYC weekend recently. What an amazing experience this was to see how incredibly involved members get, they are involved not only within their club, but with the AYC as well.

It was a pleasure to host our first games night on February 4th. It was well attended and it was midnight before the clubhouse emptied. We also hosted an event planning meeting on February 16th which was not well attended, but a full slate of events was planned for the year and some great ideas were discussed.

We do have a number of away events in the planning stages starting with the shakedown cruise coming in May. I have backup plans in place so that regardless of the current issues we are dealing with, we will be moving forward with some exciting trips. Stay tuned for details!

As Commodore, my calendar is filling up quickly. I was told we would be busy and certainly there's no disappointment. This month there are a number of events happening both here at our club as well as events we plan to attend across the border. It's a pleasure to represent Sun Parlour Boat club within the AYC, we are feeling extremely welcomed back, and I am enjoying networking and making so many new friends. Sun Parlour is BACK!

Pat Brough

Vice Commodore's **Report**

After a lot of work by a small but engaged group at our event planning meeting, we have put together a very ambitious agenda for the year which includes a couple of events at the club each month, two dinghy runs, three away trips planned (plus a shakedown cruise), a couple of new family style events, our Regatta and our Commodore's Ball.

Please remember to check at the end of the log each month for the upcoming events page. Thank you to PC Rick Ingalls, our Communications Officer for his efforts in keeping us all informed. He puts a lot of effort into creating the log each month as well as creating the flyers and sending them out to everyone for the events we hold.

I would also like to thank our sponsors. Please remember to support the businesses you see in the log and keep us in mind if you know of someone who might be interested in advertising to boaters. March is the time when we actively seeking new advertisers.

Did you know? Only a small portion of Club funds go toward the Ball with the Commodore having to raise funds throughout the year to pay for the rest. Our major fundraiser for this year will be a draw for two tickets to Kid Rock, Foreigner & Grand Funk on Sept 16th. Seats at Pine Knob will be drawn at the Regatta in August. \$10 per ticket. Board Members will have tickets

March will be busy with dinner or game night planned near the end of each week.

Hope to see you there!

Julie Holmes

Rear Commodore's Report

By the time you read this report, hopefully warmer weather will be upon us. We are getting closer to the time when we can start peeling away our winter covers and start preparing our minds, bodies and boats for the upcoming season!! Restrictions are lifting, the sun will be shining and thanks to the hard work of our Commodore and Vice Commodore, we have a great summer planned with lots of fun to be had! Please check out our Upcoming Events Page for more details. I am looking forward to seeing all our SPBC family in person again and I can't wait to meet our new members! The club couldn't survive without people like you spreading the word!! Take Care and see you soon!

Fleet Captain's

Report

I hope this report finds everyone healthy and in good spirits. Soon the time will be upon us when we start preparing and getting our boats ready for the upcoming season. I suspect some are already working on it to get boats in the water and get this party started! The calendar of events has been published and I am confident it will be a fun and exciting season.

The health restrictions have been fluid which has created challenges for planning. I am remaining positive that we will all be able to see each other soon and all participate in the upcoming events. On a personal note, this pandemic has created division and now is the time to heal. It might seem like in one day we have gone from restrictions to opening up. That may make some hesitant. We should all be considerate of each other's comfort level and fears. We can make the transition through discussion, understanding and respect.

Plans are underway for the Blessing of the Fleet on May 29. Save that date because I hope we can have a great turn out. Don't forget the burger night March 3.

In closing, let me remind you that our committee is here for you, the membership. So if you have any suggestions or ideas, please forward them to myself or the committee. Looking forward to the day we can all gather again at our Club and Marina on the water. Stay healthy and safe as we navigate towards calm waters and blue skies!

Report

PC Neil and I are on a road trip for a month, and as I write this report we are in Colorado Springs. It is snowing and -6 F!! We thought we were going to warm states! In the next few days we will be, thank goodness!

So, the membership cards have been printed. I have updated the 2022 Membership Roster and it is out to the Board to be edited. Once edited, it will be sent to the printer. They should be ready to go by the end of March or early April. Both the cards and roster will be given out at the same time. I will hand them out at events or mail them.

Hope to see you in April!

SPBC Golf League

Greetings Members,

A few of us have been thinking of forming a SPBC Golf League. Informal, casual, mainly for fun. We would like you to consider if you would be interested. No joining yet, just think about it. Details to follow via email poll or on website or at events.

Thanks, PC Jim Cyrowski
