# Commodore's Report

Ahoy fellow boaters,

With May upon us and launch upon us let's hope this weather continues, with continued lock down restrictions implemented by the government it makes it impossible for the Club to operate and remain in compliance. So we will wait it out, the last thing any of us want to do is be the cause of an Outbreak of Covid. We were planning a Kentucky Derby/Cinco de Mayo event in early May that will have to be cancelled. We also have plans for our annual Shakedown Cruise and the Blessing of the Fleet at the end of the month. If we come out of lock down as scheduled we should be able to pull off a modified version of these events. As there is no urgent club business pending therefore, I am also planning on rescheduling the GMM to a time when we can meet as a group in the clubhouse. We have a full Calendar of Events scheduled throughout the year. I have heard back from the City Marina and Belle River and they will confirm the number of transient wells that they will have available after the lockdown. The boating season is short enough with trying to scramble to get together with our fellow club members.

Looking forward to a better 2021 and to seeing everyone around the Club.

I am glad I was able to get my grass cut before the snow arrived. That may sound strange, but we are living in strange times. There always seems to be so many activities and fund raising happening across the river, while we continue to watch here from the sideline. It's nice to see some shrink wrap coming off and preparations continuing for spring launch, which is quickly approaching regardless of the extended shutdowns. It does look as though most of our May events likely won't be taking place, all we can do is monitor the situation and make decisions as they need to be made. Hopefully more of us will have the opportunity to get the vaccine and eventually return to normal. Stay tuned, and stay safe.

Well, here we are under another "stay at home" order. I had truly hoped we would have some control over this virus by now.

We had planned a Clubhouse Garden Cleanup for a nice day in late April, but that is put off for now. It also looks like we'll have to put off another couple of events planned for May as well. Keep your eyes open for an email or information on our Facebook page.

The good news is that it is only the beginning of summer so there is a lot of hope for boating summer still.

Stay safe everyone and hope to see you soon.

FC May. Here we are into May and if there is anything for sure, please tell me. Your club, led by Commodore Dan and his Bridge have been planning events as if they may come off. As I write this report, I can assure you we will be ready to get events going as soon as possible. I have the Victoria w/e and the Blessing. Arrangements have been made for both events, just hoping for the green light. Keep checking SPBC Facebook page.

AYC Report. Just saw on news border closed till May 21. Our American friends have been very active at their clubs with functions. I will not go over them as we cannot attend. If you wish, please check to see what we are missing on at the AYC website.

Now it is May and hopefully the warm weather will now stay. By the time you read this Log my boat will be in the water where it belongs.

Cinco De Mayo is cancelled due to the government regulations. Cross your fingers and hope that we can have the other events planned for this month.

Check the events page for other events.

## **Report**

Again, for another month, there is nothing to report. Hopefully, as vaccinations hit the majority of people, our lives will go back to normal and we can all get back to boating functions and visiting!

The Membership Cards are printed and ready to go. I am just waiting on the 2021 Roster to be printed and then both the cards and roster will be sent out to you.

Hoping to see you all soon

## **Report**

For those of you keeping up with the operations and functioning within the club, there has been an issue of great concern that has caused some discussion within the ranks. It has to do with the future of our present home within Holiday Harbour. I wish to clarify this and shed some light on the situation. After speaking casually with Dwayne and Trina (the new Owners of Holiday Harbour), they expressed regrets that the issue has gone on as long as it did and that they would like to work with us to grow the club and create an accord that will mutually benefit the club and Holiday Harbour. To begin with, they suggested a Meet and Greet Night where we can offer our hospitality to both Holiday Harbour and Beattie's with a meal, then get a chance to present what the club is and does. At this time, with the club suffering from low membership plus losing more of our people due to Covid concerns, we can use this to boost enthusiasm and gain back the vitality that we once had. Maybe this is all a pipe dream, but if we don't stay positive, where will we be in the somewhat dismal near future. We need participation, something that the club has been lacking for a few years now and hopefully we can use this as a springboard to a brighter existence toward better days.

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .
