## Report

Spring is here and so is boat preparation season. As the winter covers come off and repair and maintenance commence, so does the planning and preparations for an exciting season. We have been working on and preparing for many great events as you can see from the events calendar at the end of this log report.

Pat and I continue to represent SPBC at the many AYC Club balls, meetings and fund raisers. I truly feel honored and privileged to represent this great club.

The response and support we get from all of our fellow AYC clubs is overwhelming, all of which are looking forward to coming our way to support us with our events, and to attend my Commodores Ball that takes place on November 19th. Please mark that date in your calendars, it always is an amazing evening with a great meal, great music by our very own Rick Ingalls and his Power & Glory band. Fund raising tickets are available for 2 seats to see Kidd Rock with Foreigner and Grand Funk in September. Please contact me if you are interested in some tickets and I will make sure to get them to you.

I look forward to seeing everyone at the many events and trips planned in the month of May, wishing everyone a successful and uneventful launch and a great 2022 boating season.

# *Vice Commodore's* **Report**

Wow, I can't believe I am writing May's log report already, and a busy May it is going to be!

First up is the Derby de Mayo on May 7th that Gerry & I may miss as we are representing the club at the Maumee River Ball. Thank you to Kathy Louks-Moore & Russ Moore and also Gerry Ediger for stepping up big time and helping our RC Julie Holmes run this fun event.

On Friday, May 13th we will be holding a Spaghetti Night, with the Pasta & Sauce home-made by your Commodore Gerry Veerman. I can tell you first hand that it'll be a great meal. My hubby can cook!

The Open House is the next day on May 14th. This is an important event as we introduce our club to the public and hope to attract more members. All of the board members are pitching in, but we could use some more help on that day, so please contact me if you can come by and welcome our guests and make them feel at home.

The weekend after is our Shakedown Cruise at Swan Boat Club. They are happy to take all comers; said they will just "fit us all in" so please let me know if you can attend. We will be attending the Cross Border Night at WYC on May 4th, so should have all the details on what we need to do to cross by then.

We end the month with the Opening of the Port and the Blessing of the Fleet as well as Free Vessel Safety Checks. You do not have to be a member to have your boat blessed, or checked, so please invite your friends and sign up!

# Rear Commodore's Report

Spring is here and summer is right around the corner! The Sun Parlour Boat Club and Holiday Harbour Marina are working hard to get everything ready for all of the club members. April was a slow month with only a couple of fun events but get ready for things to pick up in May!! Too many events to list so please check out our Facebook page Event tab or the Events Calendar and save the dates. The nice weather brings on so many household and boat projects so why not let the SPBC be your place to come for entertainment, food and relaxation! Starting with Derby De Mayo on the 7th!! See you there!

## Report

Warmer spring weather is finally upon us. Everyone is anxious to finally take advantage to prepare their boats for launch. However, with typical weather for our area and a few gorgeous days, who knows, we could still end up with snow. Either way we will be hitting the water soon.

Also, please be sure to check out our events calendar. Now that we have access to the clubhouse and the with the warmer weather, come join us at our events for fun, socializing and good times. Our next event is Derby de Mayo on May 7.

The blessing of the fleet is May 29. We are beginning to get boaters registering. If you haven't already registered, please see the flyer and complete the registration sheet then forward to me. We are getting confirmation from the local marine units for their support. The LaSalle Police Marine Unit is having boat safety equipment inspection on May 1 between the hours of 10 a.m. at 2 p.m. at the Gil Maure Park Marina. Come on out and take advantage of their support. Please see the flyer on the SPBC Facebook page.

Stay safe, see you at the marina and if you are down by the water, drop in

## **Report**

With this crazy weather this Spring it has been a challenge to plan launch dates, I am sure as we enter into May the weather will break and we will go right into summer temperatures. Hopefully we will also be able to return to our Clubhouse for events as the electrical upgrades to Holiday Harbour come to completion. Commodore Gerry and V/C Pat along with the Club Executive Committee having assembled an ambitious calendar of Club events to keep all our Membership engaged through 2022.

Please remember this is your Club and its success is on all of our participation.

## Report

It's May!! All boats should be in the water very soon! Love it!

So every year we lose some memberships and gain some but for the last couple of years we have ended up around the same number, between 70 and 72. This year is no different, we have 71 active accounts.

The cards and rosters have been printed and the ones that were not handed out at the General Membership meeting have been put in the mail. Everyone should have them within the next week. If you should have gotten cards and I missed you, please contact me at [membersofspbc@gmail.com](mailto:membersofspbc@gmail.com) or 226-757-1747. I will get them sent immediately along with my sincere apologies!

Hope to see everyone at all the events planned for this summer!
