Commodore's Report

Hi everyone!

I am sure most of us by now have our boats out of the water and winterized.

Our club will continue to hold events through the winter months.

As your 2016 Commodore my year is now coming to an end. I have enjoyed representing our club and meeting so many friends at our neighbouring clubs. What an experience.

We are now starting to work on our 2017 board. Please consider a position on next year's board there are several openings. Remember this is your club and your club needs you. If you are interested please email me

Vice Commodore's **Report**

Ah, November, 2016. A time to look back at what a great summer we had and to look forward to 2017 and new adventures.

We are planning on having events over the winter that, hopefully will pique your interest, as well as encourage you to come out and have a bunch of fun with club members, past, present and future friends.

As next year's Commodore, I want to see SPBC flourish and grow, with more club events for you, our members. We need new ideas and input so please let us know if you are interested in joining the Board. We can't do it without you.

If you are attending, SEE YOU AT THE BALL.

Past Commodore Report

The boating season close is just around the corner with many of us busy tucking our boat away for the winter. That being said, we still have a number of activities coming up at our club. I would like to thank everyone who attended the TGIF event held in October, especially our VC who helped out at the door. We had a good turn-out and I trust everyone filled up on Tacos and desserts.

Our SPBC Ball is coming up in November (Saturday, November 19th). If you would like to help out, please let me know; a few more hands is always welcome (and one of the few remaining events to get some work hours in).

Take care and have a good month; hope to see you in November.

I-LYA Update

All, please be aware that the I-LYA 2016 Fall Meeting & Dinner is scheduled for December 2 & 3 at the Holiday Inn, French Quarters in Ohio. If at all possible, come out and support SPBC P/C Chris Amlin as the I-LYA Commodore.

Communications **Report**

Well, It's The Time of the Season where bowling and Sunday afternoon football replace our summer activities. This month, the Commodore's Ball, followed shortly by the I-LYA fall meeting in early December will celebrate and entertain. Next month, please plan to attend the Change of Watch on Dec. 9th. There are issues on the Agenda that will affect the operation of the club. If you don't attend you will not have a voice in the matters at hand. One other thing, membership renewals will be sent out for next year, so keep an eye out and please return them as soon as possible. Next year will be a block-buster year as plans progress to re-vitalize interest and attract new members. See you there!

Fleet Captain's **Report**

HELP IS NEEDED Earlier in the season I was honoured to be asked and gladly accepted to be on the committee for our commodore's ball, scheduled for November 19th, 2016. And yes; that is only a few weeks away. Regrettably my Lady Judy and I have received an invitation to attend a wedding on the same night, for a dear friend of the family for 45 years. We are torn as we would like to go to both events, but that is impossible. Also, my Lady Judy is facing health challenge(s) which is demanding a lot of time and energy. All I can offer at this point in time is my sincere apologies to everyone for the untimely inconvenience and the added stress. Unfortunately, Judy's illness has a long road to recovery. Please contact past Commodore Doug Potier and offer a few hours of your time to assist with the glow room, and possibly a few other small details.

THE BRIDGE Change of the watch is fast approaching and will be formed in the next few months. Please consider supporting your membership by considering open positions as listed on our site. I will be resigning as Fleet Captain at the end of this 2016 term. Commitments at home make it too challenging for me to continue on the bridge. I would like to thank this year's bridge members and all other staff and club members for their trust in me as your Fleet Captain. Your support at each event did not go unnoticed, and I thank you for that as well. Serving our club and making many new friends has been a very rewarding experience. Our club can only be strong and vibrant if all positions of the bridge are filled. But YOU--the member needs to step up and accept the nomination, offer your ideas and commitment for a great 2017 year ahead.
