Commodore's Report

Well, the count is now on for 2018 launch, but between now and then we plan to have some SPBC events to keep the ball rolling.

The peameal fundraiser on Oct. 6th went well and thank you to all who have supported me this year. These fundraisers go to help with the cost of the Ball. Hope to see many of you on Nov. 18th. Rick and I will be hosting a get-together on Friday evening, Nov. 17th, in our room at the Waterfront Hotel. An email will be sent out to all club members, so keep your eyes peeled.

The Chili Cook Off was well attended and we are already looking at spin off ideas for next year

Congratulations to our 2018 Board, gonna be a great year. Change of Watch will be held at our Annual Membership Meeting on Friday, December 8th. Hope to see you there.

Fleet Captain's Report

Where has the summer gone? I'm sure I am not the only one wondering this. I'm sure most of you are in the process or have completed the winterizing of your boats. We still see a few die hards out on the river taking advantage of the mild weather we have experienced in October.

The Commodore's Ball is coming fast and look forward to seeing everyone there. I feel encouraged and excited to see our members getting involved filling in the spaces to give us a full board for 2018. I am looking forward to next year.

Communications **Report**

Spirits, lots of kinds of spirits. Some you drink and some you are afraid of but this spirit I'm talking about is the spirit of cooperation. I've composed a list of volunteers (16 so far), guys who expressed an interest to help out at events or whenever the need demands and seeing that you only need 2 or 3 at most events other than the major ones, this will be a true asset to the operation of the club. This fails to mention, but does not go unnoticed, of the wonderful group of ladies who, behind the scenes, have contributed, over and over to events as they have arisen. Being on the coordinating end of this, I feel obliged to let everyone know that there are individuals who contact me when an event has been planned, offering to supply a dish or their help, or whatever they can do to assist. This is the spirit that has arisen recently and is what fills me with hope for the future of our club.

On another front, the club is growing in membership, with thanks to people within our club. People who are spreading the good news of what a membership brings and how it's growth is blossoming into a vibrant entity. Thank you guys for doing this as it is not really my strong point.

Finally, the icing on this beautiful cake has to be the fact that, for this upcoming year, we have a full Bridge of Officers. This, along with the previously discussed group of volunteers will present the opportunity for more club events, more away events and a larger participation in what this club is and should be all about.

Bring on tomorrow and let's do this with pride.

Report

Well, the boating season is over for me. The boat has been winterized and wrapped and put to bed for the winter. Now the countdown starts, 191 days until the boat is back in the water.

The chili cook-off was well attended. There were 11 different chilies and one soup. First place went to Lynn Sandre and second place went to Lorene Cyrowski, and a honorable mention goes to Lois Martin for her Squash soup.

Membership renewals will be sent out starting late next month.
