Commodore's Report

Fall is here, and what great weather we have had. We now get to look forward to cooler days and nights as our thoughts turn to winterizing our boats and getting them ready for their hibernation.

We are planning 2 events this month, a peameal bacon fundraiser on Friday, October 6th and a chili cook-off on October 27th.

I also have tickets for my Commodore's 300 Raffle, \$10 each with 10 prizes of \$50 and one of \$500, to be drawn after the Ball in the Glow Room. Speaking of which, hope to see many of you at my Ball. I know that PC Keith and PC Dawn along with the Ball Committee are working hard to make this a wonderful night. Please get your replies in.

We have worked hard this year and have seen a resurgence in club membership as well as members and friends coming out to our events. Let's keep this up next year, our new Commodore will appreciate it. I know he has some great ideas for 2018.

Immediate Past Commodore's Report

Hello everyone, boating season is now coming to an end and most of us will soon be winterizing our boats and putting them away for the season.

Everything is starting to fall in order with our Commodore's ball which will be held at the Waterfront Hotel on Riverside Drive November 18 2017. For those who have never been to a Commodore's Ball this is a great experience and a lot of fun. Please consider taking part in this year's Commodore's Ball. Everyone should have received an invite by email to The Commodores Ball. For those who have not received an invite please contact me by email. I hope we have a good turnout and show our support for all the hard work our Commodore has done for us in supporting our club this year.

Communications Report

With our short, 6 month, boating season slowly drawing to a close, just remember that the boat CLUB is a yearly effort. This means that there will be events to keep that ball rolling when we only wish we were out boating. Events through the cold months bring us together for the camaraderie and offer things to do so we don't get cabin fever. Our hopes are that our new members take advantage of these little outings.

For the last few months, the prospect of a Bridge for next year and the survival of SPBC was rather dim. This is now a thing of the past and the future of the club is shining brightly with new, dedicated personel and with a plan we will implement to grow the club and to provide it's members with more events in the coming year. Thank God, and thanks to all of you involved with this new perspective. More will be released on this in the upcoming months.
