Commodore's **Report**

Once again the government has thwarted our efforts to have a general membership meeting by imposing tighter restrictions on gatherings. The spring meeting had to be cancelled and the fall meeting had to be cancelled. Now all we can do is hope that we can have our Dec. meeting which is the Change of Watch.

Once again we are asking you the members for help. If you want this club to survive you have to get involved. Show up at meetings, join the board of directors, become a flag Officer. Do something! Do not rely on someone else to stand up and help. It is time for you to say "What can I do to help this club"? Our club is in dire straits both financially and with low memberships. Without your help our club will close and I for one have been around this club for a long time and would hate to see that happen.

The clubhouse has received a new outer membrane coating to stop the water leaks and the windows have been repaired. Thank you Jerry Veerman and Pat Brough for working on the roof. Also thanks go out to P/C Neil Bastien and Lady Pat for repairing the windows and the new curtains. A thanks also goes out to P/C Rick Ingalls for helping.

This is your club: get involved or our club dies. Then where are you going to go?

Vice Commodore's **Report**

Hello Everyone, Where did summer go? It looks like fall has arrived and everyone is starting to prepare for winter layup. With the announcement from the Premier last week regarding meeting and gathering sizes, we have had to postpone our fall General Membership Meeting. The Bridge at SPBC understands and shares everyone's frustration with Covid and the lack of events that we as a club have been able to execute since March. As we progress into the fall and winter seasons and with the hopeful return to a somewhat normal life, we can start once again to schedule events and get together. As we go into the 2021 boating season we will be looking for some of our members to step forward into Executive positions. We are currently in need of a Vice and Rear Commodore, Secretary and Fleet Captain, if you have been around the Club for a few years please consider stepping up and volunteering for a position. Our club needs a full Executive Team to be successful going into a Post Covid World.

We have regalia available from Vista Print: Please visit their website, follow the instructions below and your regalia will be delivered right to your home.

We have 2 different designs we can utilize that are on this webpage. Both can either be iron on or embroidered depending on the size and application. It is a little tricky to navigate the design process the 1st time. I used the call in phone number for assistance. I ordered 2 sweatshirts, 1 ladies and 1 mans. I also utilized the Promotique site for the womens shirt. You can navigate there using the tabs on the top left side of the website. There are 3 tabs VistaPrint, Promotique, & Digital Design.

The prices were reasonable, obviously the more that is ordered at the same time the better the price is. Both sweatshirts were about \$55.00 out the door with taxes and shipping. They will be shipped to our address and are prepaid at check out with your personal credit card. Approx 3 weeks for delivery. I have attached pictures below of what I ordered .

I am proud to be Canadian!! IN MY OPINION Canada is among the best countries in the world at handling this damn virus and at this time where we are all buckling down for the second wave, our stats will be but a mere ripple as compared with the tidal wave THEY are all expecting. This doesn't mean we let down our defences as it has been our vigilance that got us here. Through all this, many people, businesses and social organizations, ours being one of them, have struggled at staying alive until we can put this behind us. I want to say that I am also proud to be a member of the Sun Parlour Boat Club. Most of you do not know the respect we command among the American clubs. This is a proud organization and it truly grieves me to know that our days are numbered. Our love is on the rocks and while we plead for attendance and involvement our membership sits filing their nails while going "blah blah blah". Believe me, it's getting close and if the club does not turn around next year, it's curtains.

Once things relax and our world returns to something closer to normalcy, we will be having many more events, dinners and trips on the planning board and will inform you all of their existence. It is up to you to fit them into your schedule if you choose to keep this club alive.

------	-------	-------

This year’s Bridge, faced with the restrictions imposed by our Government to combat the impending Corona Virus will be listing events as they are organized. Polls on interest of attending will be taken and if the result is poor (less than 10), the idea will be scrapped. As the restrictions are lessened, more events will be planned.
