## Report

Wow, what a quick summer. With fall here many of us are preparing to ready our boats for winter and settle into our colder weather routines. Remember that our Club will continue to offer events that will continue to keep our Club in compliance with the new Ontario Regulations for Covid Safety.

There are plans for our General Membership Meeting on October 8th at 7:00 PM at the Club-house, a reminder with an RSVP was sent out to the membership and we look forward to your positive response. We are also planning a Membership Appreciation and a Chili Cookoff Event this month. Please stay tuned for the official notices to be posted to our website and sent to the membership.

As we get closer to the end of the year and Change of Watch there will be a few open positions available on our Executive Team, this is an opportunity to meet like minded people and develop lifetime friendships while being involved in the growth and direction of Sun Parlour Boat Club now and into the future.

Once again, Thank you to the entire Sun Parlour Executive Team and our many Member and Non-member volunteers, as most of your efforts appear to go unrecognized, I assure you they are not. Sheila and I appreciate all of you and your extra efforts to support our Club. Looking forward to seeing everyone at the GMM

Gerry Veerman

# *Vice Commodore's* **Report**

I know I am not the first to mention this, so welcome to boat winterizing season. It does seem like yesterday when we saw piles of white shrink wrap appearing at local marinas and boat storage facilities. Remember, we are all in the same boat, (pun intended). There are still a few more good boating days ahead, but many of us are in the planning or doing stages of winterizing our summer home away from home.

It's been a great summer, and we were able to have a number of successful events for the club. There is still some uncertainty of what's to come, but we will continue to plan for the balance of this year and look forward to making plans for 2022.

With this year slowly winding down it is our usual time to start putting together next year's Flag Officers and Executive Team. There are openings, and we encourage any members experienced and new, to consider stepping up as we are expecting great things to happen. We look forward to seeing growth and renewed interest in Sun Parlour Boat Club and all it has to offer us all. Please ask any of us on the executive team any questions you have as to what we have to offer, we do need you in order for our club to not only survive, but to thrive.

I hope that you will be able to join us for our annual general membership meeting that is taking place October 8th, and we look forward to hearing from everyone.

## *Rear Commodore's* **Report**

We're officially into fall now and if our boats aren't out already, they will be soon. Personally, I am looking forward to some quieter days to catch up on indoor chores and some reading. It is also time for us to ensure we have a full Board of Directors & Flag Officers for next year. The Change of Watch takes place in December and is coming quicky.

My husband Gerry Veerman and I, will be running for the Commodore & Vice-Commodore positions. Some others are continuing on next year as well. However, we expect to have a few positions to fill. It is our hope to have some new people with new ideas join the board. The rewards definitely outweigh the work involved. Gerry & I have made many new, good friends; we have learned a lot from boaters with a lot more experience than us; we have enjoyed the challenges and satisfaction of a job well done and most important; we have had a lot of fun.

If you would like more information on which positions are available and what is involved, please contact me. I promise no pressure, no obligation; just information on what we actually do and what the positions are about. My phone number is 226-345-0101. Thank you for your consideration.

# *Fleet Captain's* **Report**

Greetings. I think we all have become somewhat jaded to the ever changing restrictions imposed upon us. Your Commodore and Bridge make decisions based on keeping the membership in step with these rules. Let's be Thankful for what we have and have done this past summer. Some really great events, Dingy Runs, Blessing of the Fleet, our Regatta, Burger nights, all with great turnouts and new members. As we look forward, a call will go out for members to look at joining the Bridge or Executive. It is really allot of fun. A great way to help your club

AYC report. As summer winds down, allot of AYC attention goes to the changing of the Watch, and the AYC convention in Feb.. We will have Jeff Upholzer from SSBC our new AYC Commodore. Maybe come November our US friends will let us in!
