Commodore's Report

Hope everyone had a great summer. It was way too short where did it go ? The Regatta turned out great. P.C. Breakfast on Sunday was delicious even though it wasn't a very good turnout.

Cocktail Receptions are done for this year . Just a few more Balls coming up .The SPBC ball is approaching fast hope to see a lot of members there. It will be a great time .

With the end of year right around the corner there will be open positions on the board. It is really a great experience . You meet a lot of people and have fun doing it . It would be nice to see new people stepping up

Rear Commodore's Report

As summer turns into Fall, I fight the grumpy winter blues with thoughts of summer 2024. For us, it's been a great year. We went to as many Regattas as we could manage, we took in the ILYA powerboat week at Put-In-Bay, we finally made it to the Maumee River in Ohio, as well as the many club events which were all delicious. We also raced the sailboat in a few Regattas and took home some flags. All that being great, the greatest thing was just hanging out with our boating community and our new friends.

It's also been a real treat to help with some of the club activities, and events. Work can't really be called work when it's fun. Both Marianne and I really enjoyed giving a bit back, and we are looking forward to doing it all again in 2025. I know 2024 isn't quite over but I have come to grips with the fact that the Winter thing is going to happen, as much as I gripe about it.

Thank you to all the PC's who assisted and attended our PC Breakfast on the Sunday of the Regatta weekend. Unfortunately, this one was not well attended although we collected a few bucks for our PC fund and our PC's certainly had a good time visiting each other.

We also held our Hospice Fundraiser in September with a yummy Lasagna dinner. Again, a few bucks were collected and this time sent directly to the Hospice of Windsor & Essex County. Thank you to everyone who contributed.

Looking forward, we will soon be celebrating our 2024 Commodore at the Commodore's Ball on November 16th. This year we will be holding our "affair" at the Caboto Club, where there will be dinner & dancing. We hope to see you there.

Report

Wow, October already, and happy we have no boat to winterize. (Sorry, Rick). Our Regatta has come and gone, I think it was a success. Thanks to all who contributed and donated baskets. Sue and I sold 301 ticket strips (all profit). Made \$1505 for the cause. Way to go everyone.

If you know anyone who wants to join the club, they can apply now and their membership will be good until the end of 2025.

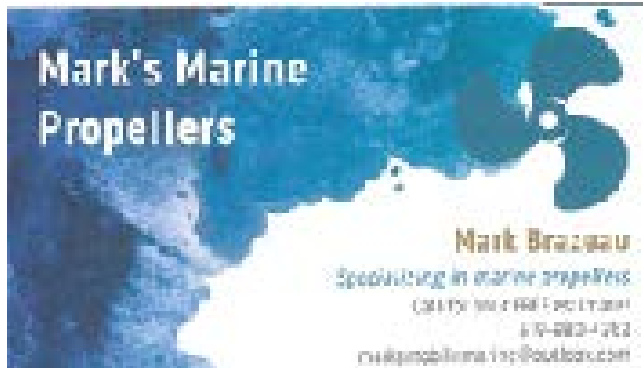

Also, need people to be on the Committee for our Ball on November 16th, our final big event of the year. If you can volunteer, please contact P/C Pat Brough (patriciabrough@outlook.com), your help will be greatly appreciated.

Recording Secretary

Report

I have told VC.Chris that I will stay on as Recording Secretary for next year. Any way, I have volunteered to reorganize an Auxiliary. I don't want to say woman's, I want everyone to volunteer. The prime goal will be the Clubhouse. We will concentrate on doing a complete inventory. This will entail listing everything we have in the Clubhouse. Then we can organize what we have and keep track of use, dispose of anything we don't need, and replenish anything that we do need. Cleaning before and after events in the Clubhouse also will be a responsibility for the Auxiliary. I obviously can't do this on my own so I am asking for volunteers. I would really like to see some new faces. Please pass the word to any member you may think would like to do this. My email address and telephone number are:
