Commodore's **Report**

In September SPBC held its annual Regatta. The event was chaired by VC Scott Pillon, Regalia Officer Marianne Burke and co-chaired by Kari McMahon and Assistant Fleet Captain Greg Rocheleau. Together, along with a very long list of volunteers, they put on a great event that was filled with great food, music and comradery. While I normally don't try to list all those that helped for fear of missing someone, I would be remiss not to thank Michele Clark for taking care of one of the most successful baskets raffles in recent history....Michele, thanks for doing an amazing job!!! As with any event, it's hard to see all that happens, this year we were very fortunate that SPBC's Riki-lee Santin was there to capture the moment. Thanks Riki for all the photos that were taken and for sharing them so all can see that SPBC is indeed the "Friendliest Club On The Lake". There's just a couple other folks that need special mention, our dockmaster, PC Dan Fitzpatrick, and the SPBC BBQ guru Scott Allen. Thank-you guys for docking the boats and flippin' the burgers. You make it look easy. As I mentioned, it takes a village to put on this event, from setting up and taking down the tent, keeping garbage cans empty, making sure everyone is safe and all the while trying to have fun. Thanks All.

In order for the Regatta to be successful, it not only requires great SPBC Membership, it also takes a great marina owner. To Trina, Dwayne, Brianna, Sandy and the whole Holiday Harbour family, thanks for being so accommodating. Your continued support and friendship are very much appreciated. Thanks for allowing us to bring in the RV and, to your marina well holders for coming out to make the weekend what it was. What a great group of people!!!

On the Saturday during the Regatta, SPBC hosted its Annual Commodore's Cocktail Reception. The event was very well attended and I want to thank the Sun Parlour Past Commodores for coming out. It was really cool to see all of you in the reception line and sharing this time with us. Thanks folks!! The clubhouse looked absolutely awesome, and the food and cocktails were a hit out of the park. This year, the committee chairs were Regalia Officer Marianne Burke and Recording Secretary PC Sue Laporte. Together with another outstanding group of SPBC members, delivered a first class reception. I owe a huge thank-you to my daughter Alysha Stein for heading the up the décor. The place was beautiful, thanks Aly....couldn't love you more if I tried. Tending bar was Marianne's daughter, Emma Burke and SPBC's bartender extraordinaire Criag "Jethro" Ascott. Inside the clubhouse was our always devoted SPBC members Marsha Quinn, Lois and Lynnwood Martin and Mary Porter, making sure things were perfect, thank-you. To all those that donated food and liquor, thank-you all for your generosity and stepping up, Sharon and I are beyond grateful for all that you did to put this on.

The final event during the Regatta was the Past Commodores' Breakfast.....again, what an awesome turn-out. To echo PCs Jim Cyrowski, Reg Major, Bill Deans and Bill Woods comments, it's been a long time since we've had such a wonderful turn out. Thanks to all the PCs that helped.

In my final paragraph, I really need to highlight two other women. First, Marianne Burke. Your dedication and effort has not gone un-noticed. You took your experience in event planning and applied it to the Regatta this year. You came up with new and creative ways to deliver a 1st class event. Let me tell all who read this, if were not for the countless hours Marianne put into this Regatta, before, during and afterwards, we would not have enjoyed the success that we did. You delivered a new revived Regatta. THANK-YOU, and I can't wait to see what you, Scott and the team do next year. Lastly, PC Sharon Amlin. Thanks for everything you do for me and for Sun Parlour Boat Club. The effort and time you put into SPBC over the last 23 years is always noticed and appreciated.

From PC Sharon and I, please stay safe and thanks for your support and we will see you all soon.

Rear Commodore's **Report**

Hello everyone, hope you're doing well.

The weather has been great and it seems like it will continue for a while.

Thanks to everyone that helped with the regatta and thanks to all the members that came out to support the Club.

The boats will be put away soon, but that doesn't mean the fun will stop. There are Sunday Fun-Days, Lions watch games and a whole lot of other events planned for in and around the Club.

Hope to see you soon thanks..... Jerry

Fleet Captain's **Report**

Well as the season starts to close, I would really like to thank everyone who assisted us with the Regatta from setting up, cleaning up, cooking, decorations, donations it was exceptional to see all of us come together to make this event a great one.

We have the closing of the marina in association with Holiday Harbour on October 11, 2025. This will be the Halloween theme. Details will be distributed later.

I really have enjoyed watching everyone enjoying our events this year. Looking forward to the euchre league starting October and finally the commodore's ball in November and seeing all our friends there again.

Thank you, Thank you and Thank you!!!

Greg Rocheleau

Wow Wow Wow,

To say the Regatta was a success is an understatement. The dedication from the board and all members who assisted was amazing.

Thank you to everyone that Attended , Helped or donated something.

We are keeping this momentum going with the upcoming Euchre League , Lions watch parties and closing of the marina.

What a whirlwind year this has been to say the least. It's been an honor to serve Kari ... I mean Every one of you.

AYC Report

With the summer now behind us, it was reported that a very successful year of poker runs are now behind us. The next Regatta still to come will be the Toledo Ice Yacht Club event in January. If you've never been, it is always a popular event. Congratulations to Nicole Antoine being chosen Fleet Captain of the year.

Preparations have been in the works for the annual AYC weekend Ball and change of watch banquet. Watch for more information coming as well as tickets in a few weeks.

It was also reported that the fall I-LYA has had a change in location. For the past several years it has been held in Westlake Ohio to a venue that is familiar to many of us. This too will now be held at the Sheraton Detroit Metro Airport location. If you have never been, I highly recommend attending. This is a great opportunity to meet with your friends within the AYC and I-LYA groups.

Please visit the AYC website for all the latest information and events that are happening, and don't forget to pick up a copy of the AYC yearbook the next time you are at the clubhouse.
