# Commodore's Report

Como estás everyone,

I hope you are all having a great year of boating so far and have enjoyed the events put on by your Club. A lot of time and effort goes into putting on an event and we always need your input as to when, where, and what kind of events you would like to do, so keep your Bridge informed. Our Regatta has come and gone and I would like to take this opportunity to thank all that participated. From set up to teardown, to attending, it was a magnificent event. To everyone who prepared my Commodores Reception, I was amazed at the imagination, time and effort put in to preparing and orchestrating it, thank you all (you know who you are) it was outstanding. And Thanks Bill for heading the event.

I know you would rather not hear this but soon the boats will be out of the water, but that does not mean the year is done. Our Fall and Winter events will start soon so keep an eye out in the Log, Facebook and on the website for all the news and try your best to get involved.

As of the Last Executive meeting we have a new Treasurer. Pat Brough has volunteered to accept the position and brings with her a wealth of knowledge in the field of banking. Also Patricia Bastien has accepted the position of Membership Chair relieving our Rear Commodore of the added burden to his already long list of duties. I would like to welcome them both to the list of Sun Parlours Executives and hope you do the same.

A special thanks goes out to Dan Fitzpatrick and Patricia Bastien who assisted the club assuming positions and added duties temporarily to keep this Club running smoothly. Thank You.

As of present we have only Communications Officer, and Assistant Fleet Captain positions empty. It makes a real difference to have these positions filled because the experience of each position helps with learning what is required while moving up to the next position in the Club. No Club or Organisation can run or exist without a Board. Experience is everything. Get Involved

# *Vice Commodore's* **Report**

The Regatta is over and done and I want to thank All of people that helped out to make it a great event.

Well the summer that we all waited for is winding down. As my friend Mario always said "it seems like Mother Nature flips the switch from summer to fall on Labour Day Weekend". I hope that this does not happen this year. At any rate it is time to start thinking about putting the boats away for the winter.

There still lots of boating events left to do this year so go to the web site, face book or read the log to find out more.

On Sept.13 there is a general membership meeting and I hope all will attend.

# *Rear Commodore's* **Report**

Hello Everyone, with the summer of 2019 almost in the books we surely can't complain that we did not have a HOT summer. Hopefully our boating season is extended long into the fall to allow us to enjoy sunny skies and some cooler temperatures while out on the water. Regatta 2019 is now behind us and I would like to thank all our members and non-members who stepped up to the plate and volunteered to help. A big thank you to Bill Deans who coordinated the event. Maria Morrison for coordinating the basket draw, Connie Woods and her team for knocking the reception out of the park, Matt Morrison for his efforts selling BBQ raffle tickets and lastly to Marsha Quinn for helping me with the 50/50 draw. There is an upcoming General Membership meeting scheduled for Friday Sept 13th, please plan on attending. Looking forward to seeing everyone there.

## **MEETING NOTICE!**

There will be a General Membership Meeting, held on Friday September 13th, commencing at 7:00 pm. All members are invited and encouraged to come. Important issues will be discussed and so your presence is requested.

# *Fleet Captain's* **Report**

This has been a great summer for boating and successful events within the club. We have a strong team now. Looking forward to continued success.....

Make sure you check the Clubhouse bulletin board and your monthly Log for AYC event flyers for upcoming club events you might be interested in attending.

# *Immediate Past Commodore's* **Report**

At this time, post Regatta, I would like to make an observation apparent to all of our members. A lot of prep is done by the committee heads but they are totally dependant on the response for help that our membership gives to perform their responsibilities. This being said, my observation is to say how strongly knit our core members are. A superior performance, from a very quick set up and tear down by the men of the group (the EH Team), to the fabulous job done in donating, setting up and generally putting on the (fantastic as usual) Commodore's Reception, to the hours spent in preparing the twenty some odd gift baskets for the huge raffle in the afternoon, a marvellous spread offered for dinner, a great breakfast put on by our P/Cs, down to the smiling faces on our reception committee selling wrist bands and t-shirts. The names are too numerous to mention, but y'all know who you are and collectively how appreciated your efforts were. One last group who deserves honourable mention are the people at Holiday Harbour who were great throughout the entire process. Tom Beatty assisted in our setup immensely, willing to lend a hand at the drop of a hat, provided a huge parking area in a year where high water presented a major problem and, as our new Marina Manager, was very receptive to all our plans and welcoming to our club. Hats off to everyone involved.

I might mention that on Friday, September 27, our Past Commodores will be hosting a spaghetti dinner held at the club with the profits going to Hospice. This is our community's finest organization who we are always proud to help each year through this event. Please show up and show your support.

# Membership Chair

## Report

Hello Everyone,

If you have read the Commodore's report you know that we have a new Treasurer and now a new Membership Chair. I volunteered to do this to free up some time for the Rear Commodore, so he can do his Rear Commodore's duties.

So, I have made a few changes. This year the Board purchased a Quickbooks accounting program to make the bookkeeping easier for the Treasurer. This program can do lots of things to make not only the Treasurer's life easier but the Membership Chair's also. It can keep tabs on the members, it can invoice and receipt dues payments and make sure the Capital fund account gets its quota all in one or two transactions. I can send out invoices by email with the push of the button and collect and enter the payments myself, without having to hand over a stack of money to the Treasurer for her to sort out and enter into the books. I can even make up the deposit, so that when I do hand over the stack of money, it just has to be taken to the bank!

In the past couple of days, I have entered 95 member accounts into Quickbooks. Names, addresses, email and the dues they are charged. Of the 95, 81 are voting members. This year, 14 new members took advantage of the \$100.00 introductory offer. Pretty good, I think! Next year, hopefully, they will stay on to pay full dues. And hopefully, we will be able to pick up more members next year!

If you have any questions or want to sign up a new member, here is my contact information: 226-757-1747 or email at patriciabastien245@gmail.com.

Please keep your fingers crossed that at renewal my plan of pushing only one button really works!!.... Thanks...pb
