Vice Commodore's **Report**

I'm hoping that the Summer has gone well for everyone so far this year. As I sit and write this, I can't believe that September is around the corner. There are a couple of events that I'm still responsible for, one being the Annual SPBC Regatta. It has been scheduled for September 13th to September 15th this year. I don't know if anyone remembers, but this is the original date that we hosted this event, although it was our Annual BBQ back then. Our outstanding Communications Officer has sent out an event flyer that show the schedule and an updated one is out (or forth coming) with the final details that include the times and costs for the dinners. As usual, we need those that want to have a steak or chicken dinner to pre-register and links to do so are included on the updated flyer. We will have LIMITED QUANTITIES of meals available at the door. However, they will be sold on a first come first served basis so if you don't register for dinner, you may not get one. This year, for both Friday and Saturday night, we will offer pizza as late-night food starting sometime around 9:30pm till midnight. Entertainment on Friday will be Karaoke, hosted by our very own Communications Officer, Rick Ingalls followed by Rick's band, The Power & Glory on Saturday night. The event requires some help with the food, setup and take down, wristbands and several other tasks. Please reach out to me or FC Jerry Taylor if you have a little time to assist. We NEED IT...we are not getting any younger ☐

I have yet to finalize our Membership Appreciation Night, so please stay tuned and once the Regatta has wrapped up, I will get information out to you for this event. I can tell you that the theme will be 60's to 70's comedy TV shows!!! In the next few weeks, the 2024 Ball Committee will be providing details on the SPBC Commodore's Ball honoring Commodore Marilyn St Pierre. Please watch out for event details and if you can, please plan on attending.

Moving on, we have the huge task of getting ready for the 2024 Change of Watch and getting the Board setup for the 2025 season. If anyone is interested in joining the SPBC Board of Directors, please contact myself or any board member for details. My door is always open to discuss the roles and how together we can continue to help the Club to grow.

Even though 2024 has been a fantastic year, we as a Club have had several members become ill, suffer an injury and even lost great allies and past Club leaders. As we finish out the 2024 boating season, PLEASE STAY SAFE, enjoy the last few months of warm Summer and Fall weather and watch out for one another.

Fleet Captain's **Report**

Hello everyone, what a great summer it has been.

The SPBC has supplied its members with lots of fun activities to take part in, and we are not done with the fun.

I hope you had a chance to attend some of the AYC Poker Runs and Regattas as well as all the great events we have put on.

Speaking of regattas The Sun Parlour Boat Club Regatta is just around the corner September 13, 14, and 15 and, other than the Commodores Ball this is our biggest event of the season. It is always fun to hang out with your fellow members, cook together and share stories and the memories you have made this summer.

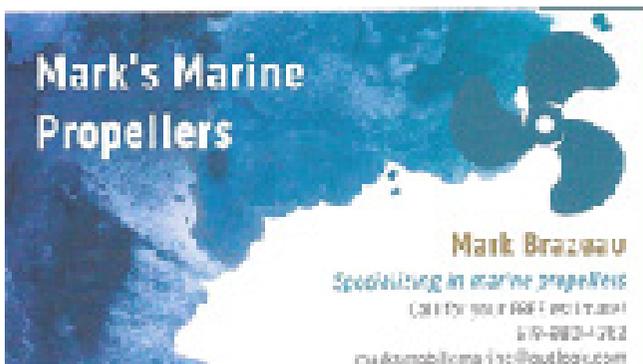

The pre-sold cook your own steak and chicken dinners are always a great hit and they always sell out fast, so please do not wait to purchase your tickets in advance. There are only a limited number of dinners available.

There might be some available at the entrance, but only a few if any. See the flyer for all the information you will need.

We have more things in store so watch for the announcements.

The General Membership Meeting date has been moved to September 20th at 7:00 pm. Please save the date, this meeting is very important and a great way for you be get caught up on all the Club's business and plans. It is also a great time to recommend things to do for next year.

There is lots of summer left, so stay safe and have fun.

Immediate Past Commodore's Report

We have a very busy September with the Regatta, our General Membership Meeting and our Fundraiser for Hospice all coming up. We will be reaching out to you, our members for assistance with these events, so please step forward if possible.

It's also, unfortunately, time to start thinking of putting our boats to bed for the winter. Time to knock off those maintenance items we've been putting off all summer and to look forward to next year. I know Gerry & I have been thinking of a major trip with our "Pura Vida" next summer and will enjoy planning during the dark winter days.

But, there is still lots of summer left so lets keep playing safe.

Communications Report

With the swift approach of our 2024 Regatta, I guess I should advertise the outstanding entertainment that we will be enjoying. The Friday night effort will be yours to produce as Karaoke will offer you the opportunity to show off your finest talents or to just sit back and watch others do so. Hey, it's always a hoot.

Saturday evening, after stuffing yourself with a dinner, cooked to perfection, as you will see to that, literally, we offer you the return of the Power and the Glory Band to rock your night away. We have a lot of newer material, a new member and harmonies up the keyster, so, come on and check it out, you just might have a good time.
