# Commodore's Report

Time is flying by.... its September already!!!

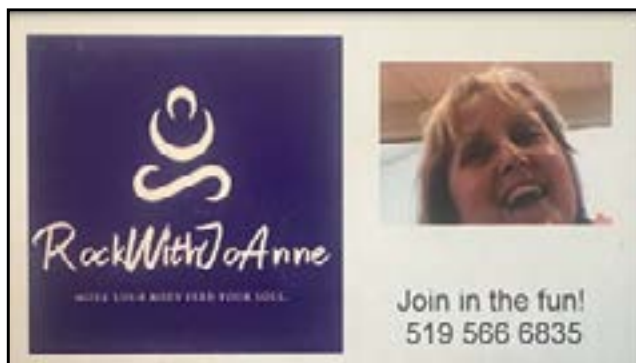

One of the first events of September is the SPBC General Membership Meeting being held on Thursday September 4, 2025 at 7pm. Please plan on attending as it is your opportunity to hear how the Club is doing and offer suggestions and ideas. We are hoping to see you there.

Also, with September comes the Annual SPBC Regatta on Friday September 12 to Sunday September 14, 2025. Many may not realize that SPBC, for many years, held the Regatta / Annual BBQ on this date in September and we always had a great turn out. Once SPBC was on the AYC Poker Run Schedule, we moved the date to accommodate the AYC events. It was difficult to find a date during the summer where our Regatta was not in conflict with one of our sister Clubs, and if it was not an AYC Poker Run, visiting attendance was down. We are hoping that by going back to our original date, the event will be better attended as there are less competing events being offered.

This year, the Regatta Committee has been working hard to plan an outstanding event. They have worked to find sponsors, planned an exciting itinerary with great entertainment and planned with our host Marina, Holiday Harbour, to accommodate our guests that are coming by boat. It is by no means an easy task. If you can offer a hand during the Regatta weekend please reach out to VC Scott, FC Kari, Regalia Officer Marianne or Assistant FC Greg. Your help will be greatly appreciated. Please check the flyers on our FB page, the SPBC Website or Ships Log for details. You will see that the Committee is asking that folks register for the Regatta, so please register as soon as possible so that the final details can be settled. During the month of August there were many on water events as well as land-based gatherings. I can't thank these folks that hosted all of these events enough. The Dingy Poker Run, Sunday Funday and the Great Steel Boat Club Rendezvous were all very successful and well attend. Thanks to everyone that hosted these events and to all that attended.

Finally in September, we begin our recruitment for open positions on the SPBC Board of Directors. Currently we are seeking a Membership Chair, Communications Officer, and Assistant Fleet Captain. Please reach out to any of the Flag Offices for details on these roles and consider joining the Board. This is your Club and without a full Board of Directors we cannot offer the same level of events and activities that we have enjoyed in 2025.

In closing, please check the SPBC Calander of Events and FB page for up-coming events for the Fall and Winter. Stay safe and we will see you all at the Regatta.

## Report

I'm sitting here just wondering if this will be the year that it finally happens. Perhaps this year the thing will not come to be. Of course, I know I'm wrong and that we will all soon be facing the harsh reality of Winter, so I guess we should just focus on the positives. Our area does boast having the warmest climate in Canada, we are surrounded by water on about 3 sides of us and of course we are lucky enough to be members of a great boat club. Events throughout August were incredible, Sunday/Funday was a hit. Away trips were fantastic, and the Dingy Poker Run was over the top. Now we just need to pray for some good weather for Regatta and we can close out this season with a major WIN. Time to thank everyone who chipped in on the clubhouse, helped with events, and who simply showed up. We also need to thank our home port marina who not only puts up with us, they help us out in a major way. Regatta will also need some help, so if you can please give us a hand with this event, everyone will be forever grateful. We were fortunate to have sponsors who were able to help us along with our goal of having a great season and a great outing come September 12-14th. If possible, kindly give these companies a chance to further earn your business.
